* These measures enable you to see what percentage of your students enrolled in grades 10, 11, and 12 scored 3 or higher on at least one AP® Exam this year, a good indicator of both the equity and excellence of your school's AP program.

** The Graduating Class Summary shows what percentage of your twelfth graders scored a 3 or higher at any point in their high school years. Your school's enrollment counts were submitted by your AP Coordinator when placing your school's order for AP Exams.
