**ADDENDUM, Concerning Student Information, to the Consultant Contract Agreement ("the Contract") dated \_\_\_\_\_, between The School Board of Palm Beach and Shores Animal Clinic.**

Pursuant to School Board Policy 5.50, receipt of which is acknowledged by the vendor's/partner's signature below, the School District hereby designates Shores Animal Clinic, [vendor/partner] ("the Party") as an "other school official" for purposes of receiving limited personally-identifiable student information under FLA. STAT. § 1002.22(3)(d)2 because the School District recognizes the Party has legitimate educational interests in receiving this information in order to carry out the Party's responsibilities for the school or District under the Contract. (All other terms of the Contract remain the same.)

As a condition precedent to receiving confidential student information, the Party warrants and agrees that the Party:

- will limit the use of, or access to, confidential student information to the limited scope of information actually needed to complete the services under contract. The District has determined that the Party has a legitimate educational interest in receiving only the following fields of student data [for example: name, grade-level, school attending, etc.; add more spaces as necessary to cover the minimum scope of data actually deemed needed]: name, grade level, school attending, program of study, and age.
- will limit the access to student information to its employees and/or agents who actually have a legitimate educational interest in the information (i.e., they legitimately need to access the information in order to carry out their responsibilities under the Contract); and
- shall avoid, and shall instruct applicable employees/agents to avoid, accessing personally-identifiable student information except for the legitimate purposes recognized under this Addendum, and shall require that all employees/agents accessing the data must be trained in, and sign an acknowledgement regarding, the confidentiality requirements; and
- will comply with the requirements of Fla. Admin. Code Rule 6A-1.0955(6)(g), that student information shall not be disclosed by the Party in any form to any party other than appropriate school officials or the Party's employees/agents to the extent allowed herein (even if the document is first redacted to remove personally-identifiable information), without the prior written consent of the adult student or the parent/guardian, as appropriate; and
- shall maintain any confidential student information in secure data processing facilities or in securely locked cabinets, and the Party shall monitor the security and safekeeping of the confidential data; and
- will dispose of all information disclosed to it by the School District (and any copies thereof), after the purpose for which the information is disclosed has been served, or five years after the receipt of the information (whichever is sooner), by shredding paper documents finely enough to prevent possible recovery of information, and by totally erasing and over-writing (or physically destroying) any electronic media such as computer files, tapes, or diskettes, or physically destroyed.

The parties acknowledge that the terms contained in this Addendum supersede any inconsistent terms in the Contract.

IN WITNESS WHEREOF, the parties hereto have executed this Addendum:
