A. GENERAL PROVISIONS OF THE AGREEMENT:

1. The education of the student shall be the primary purpose of the training program.
2. The SCHOOL BOARD shall be responsible for the education of the student.
3. The PROVIDER agrees to provide the site and educational opportunities for the clinical experiences and cooperate with and assist the faculty of the SCHOOL BOARD through its health science education staff.
4. The SCHOOL BOARD shall be responsible for selecting learning experiences for the students, with the assistance and cooperation of the PROVIDER'S personnel.
5. Any student assigned to this program shall be properly supervised at all times by the PROVIDER when student is on the PROVIDER'S premises.
6. The SCHOOL BOARD instructor or school administrator shall be available for consultation by phone/pager or routine supervisory visits during times students are participating in clinical experiences.
7. Neither the SCHOOL BOARD nor PROVIDER shall be responsible for the students' personal property.
8. The SCHOOL BOARD agrees to comply with the applicable established policies and practices of the PROVIDER as provided to the SCHOOL BOARD. (Policies presented for review and mutual acceptance.)

9. The PROVIDER agrees to allow students and faculty, at their own expense, to use any of the Provider's existing food services.
10. The PROVIDER, when applicable and available, shall provide a conference/meeting room for the SCHOOL BOARD'S use with adequate lighting and ventilation to accommodate twelve persons.
11. All services rendered by students pursuant to this Agreement shall be uncompensated, except for the On-the-Job Training Program in accordance with law.
12. The SCHOOL BOARD recognizes its liability for certain tortious acts of its agents, officers, and employees to the extent and limit provided in Section 768.28, Florida Statutes, the State of Florida's partial waiver of sovereign immunity; provided, however, this provision shall not be construed as a waiver of any right or defense that the SCHOOL BOARD may possess and the SCHOOL BOARD reserves all such rights as against any and all claims that may be brought under this Agreement.
13. The PROVIDER will assume all patient care responsibility including responsibility for the guidance and supervision of students (when on their premises), particularly in patient contact areas. The clinical faculty will direct students and instruct them in the procedures to follow relative to patient care.

B. SPECIFIC PROVISIONS OF THE AGREEMENT:

1. **HEALTH SCIENCE CAREERS** (Allied Health Assisting, Dental Aide, Electrocardiograph Aide, First Responder, Health Unit Coordinating, Home Health Aide, Medical Laboratory Assisting, Nursing Assisting, Practical Nursing).
 - a. The clinical experiences shall consist of no more than half of the students' instructional time unless more time is deemed necessary by the supervising instructor.
 - b. Classes will be conducted during normal school hours or according to a prearranged schedule.
 - c. The number of students scheduled on the PROVIDER'S premises and student assignments shall be planned by the PROVIDER'S staff and the SCHOOL BOARD instructor.

2. **NURSING ASSISTANT**

- a. The PROVIDER agrees to accept a maximum number of fifteen students per teacher for clinical educational experiences at one time. The teacher/student ratio shall be no more than 1:15.
- b. The educational program shall consist of classroom instruction, laboratory practice and clinical experience with a minimum of forty (40) hours in a clinical setting.

3. **PRACTICAL NURSING**

- a. The PROVIDER agrees to be responsible for the guidance and supervision of students, particularly in restricted areas such as Intensive Care and Coronary Care Units, Recovery Room, Emergency Room, Obstetrics and Pediatrics.
- b. The educational program of 1350 hours shall consist of classroom instruction, laboratory practice and clinical educational experiences. Classes will be conducted during normal school hours or a prearranged schedule.
- c. The clinical education experience shall makeup at least 50% of the total program. The teacher/student ratio shall be 1:12 (Chapter 464-Florida Statutes Nursing Programs Florida Administrative Code -64B9-2.008- Clinical Training).
- d. The SCHOOL BOARD will maintain standards recommended by the Rules and Regulations of the Florida State Board of Nursing, the Department of Education and the national accrediting agency.

4. **FIRST RESPONDER**

- a. The number of students scheduled and the length of time the student will be assigned to the PROVIDER'S premises will be planned by the PROVIDER'S staff and the SCHOOL BOARD instructor.
- b. The educational program shall consist of no more than 150 classroom hours and 25 hours observational ride time. Classes will be conducted during the normal school hours or according to a prearranged schedule.
- c. The PROVIDER will provide and supervise the students in observational ambulance experiences. Arrangements will be made so that the

PROVIDER and the SCHOOL BOARD instructor will confer in a timely manner.

- d. The SCHOOL BOARD will conduct the program in accordance with Florida Department of Education and Florida Department of Health guidelines.

C. THE SCHOOL BOARD'S RESPONSIBILITY:

1. To maintain standards and procedures as recommended by the Florida Department of Education and the state occupational governing board (s) in accordance with the programs housed within the PROVIDER'S facility.
2. The SCHOOL BOARD will maintain standards for participating students and facility which include but are not limited to, requirements for physical examination, T.B. screening, MMR (measles, mumps, rubella) vaccination, tetanus, Varicella Titer or chicken pox vaccination, Hepatitis B vaccine (faculty/students to show documentation) or declination form and education on universal precautions and blood borne pathogens.
3. To employ qualified instructors who shall be responsible for conveying the philosophy and objectives of the SCHOOL BOARD and for developing the curriculum.

The instructor shall be responsible for:

- a. Selecting assignments in cooperation with the PROVIDER'S personnel and supervising students in their learning experiences when applicable.
- b. Planning concurrent related instruction (informal and formal classroom) as needed to meet the objectives of the program. This instruction will be scheduled during the regular school day.
- c. Maintaining individual records of class and clinical instruction, practice and evaluation of student competency and health.
- d. Preparing a clinical/observation rotation plan for services to be used for experience and securing the written approval of the plan from the PROVIDER prior to the beginning of the affiliation. Before any material changes are made in the

plan, they will be discussed and approved in writing by the administrator of the facility or designated person.

- e. Advising the Provider and health care personnel the roles of the student within the occupation being taught, provided such interpretations are acceptable to the administrator of the facility.

D. THE PROVIDER'S RESPONSIBILITY:

1. To make available to instructors and students appropriate facilities and supervision for clinical services and planned learning experiences related to the approved program curriculum.
2. To provide guidance and supervision of the students while on the Provider's premises.
3. To provide instructors and students with emergency first aid care in case of illness or accident while on duty. It shall be the responsibility of the person who becomes ill or injured to pay for his/her own care.
4. The PROVIDER may include the instructors of the SCHOOL BOARD at staff meetings when policies are discussed that will affect or are related to the approved programs. The PROVIDER shall, at all times, provide the SCHOOL BOARD instructors with written notice of changes in policy and procedures in a timely manner, especially as such changes relate to or affect the approved educational programs.

E. THE SCHOOL BOARD POLICIES:

1. The educational program shall consist of classroom instruction, and laboratory practice experiences in selected learning situations in health care agencies. The division and arrangement of time to include the theoretical and clinical learning experiences shall be determined by the instructors and be based upon the needs of the students for specific learning experiences to meet the objectives of the program.
2. The school day will be in conformance with state requirements.
3. Students will be given holidays as provided in the regular school calendar.

F. REQUEST FOR WITHDRAWAL OF STUDENT/FACULTY:

The participating PROVIDER has the right to demand the SCHOOL BOARD withdraw any student/faculty from its facility whose conduct, non-adherence to the dress code, work with patients, or general work and behavior is, in the reasonable opinion of the administrator of the health care facility, not in accordance with acceptable standards of performance and ethics. Students/faculty will be removed in accordance with SCHOOL BOARD policy.

The SCHOOL BOARD may at any time withdraw, in accordance with law, a student/faculty whose progress, conduct, or work does not meet the standards of the SCHOOL BOARD for continuation in the assigned area or program.

Notwithstanding anything to contrary, removal of faculty will be in accordance with law.

G. TERMINATION OF AGREEMENT:

Each party reserves the right to terminate this Agreement at any time and for any reason, upon giving thirty (30) days written notice to the other party, provided that all students currently enrolled in the Program at the PROVIDER'S facility at the time of notice of termination shall be given the opportunity to complete their clinical Program at facility, such completion not to exceed twelve (12) months. If the Agreement should be terminated for convenience as provided herein, each party will be relieved of all obligations under this Agreement. For purpose of notice, the SCHOOL BOARD representative shall be the Director of the Choice Programs and School Choice of the School Board of Palm Beach County.

H. STUDENT INSURANCE:

Each student shall provide proof of professional liability insurance coverage with minimum limits of \$1,000,000/\$10,000,000, at SCHOOL BOARD'S expense. Students will be encouraged to be covered by their own health and accident plan.

I. MODIFICATION OF AGREEMENT:

Modification of the Agreement shall be made only upon mutual consent of both parties in writing and a contract addendum shall be executed by both parties hereto.

J. NON-DISCRIMINATION:

The Provider agrees not to discriminate against any trainee in any manner whatsoever on account of race, creed, color, age, sex, religion, handicap, national origin, or martial status.

K. LENGTH OF AGREEMENT:

This Agreement will be effective on the date fully executed by all parties and extend through June 30, 2010.

L. If the PROVIDER is a governmental entity, the following clause is hereby incorporated into this Agreement:

Indemnification:

Each of the parties to this agreement recognize their respective liability for certain tortious acts of their agents, officers, employees and invitees, and agree to be responsible respectively for all claims, liability, losses, and/or causes of action that may arise from any of their negligent acts or omissions due to the acts of their agents, servants, or employees to the extent and limits provided in Section 768.28, Florida Statutes, the State of Florida's partial waiver of Sovereign Immunity; provided, however, that this provision shall not be construed as a waiver of any right or defense that the SCHOOL BOARD and Provider have under said statute.

M. In the event the PROVIDER is not a governmental entity, the following clauses are hereby incorporated into this Agreement:

Indemnification:

Indemnification/Hold Harmless Agreement: PROVIDER shall, in addition to any other obligation to indemnify the SCHOOL BOARD and to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the SCHOOL BOARD, its agents, officers, elected officials and employees from and against all claims, actions, liabilities, losses (including economic losses), costs arising out of any actual or alleged bodily injury, sickness, disease or death, or injury to or destruction of tangible property

including the loss of use resulting there from, or any other damage or loss arising out of, or claimed to have resulted in whole or in part from any actual or alleged act or omission of PROVIDER, or anyone directly or indirectly employed by it, or of anyone for whose acts it may be liable in the performance of the work or violation of law, statute, ordinance, governmental administration order, rule or regulation in the performance of the work; claims or actions made by PROVIDER or other party performing the work. The indemnification obligations hereunder shall be limited to the actual amount of damages, compensation or benefits paid to a claimant by the SCHOOL BOARD, after any statutory limits on liability are applied to a claim. PROVIDERS shall not be required to indemnify SCHOOL BOARD for any amounts not otherwise collectible from SCHOOL BOARD due to operations of Florida law, specifically including Section 768.28, Florida Statutes. Any reasonable costs or expenses, including reasonable attorney's fees, incurred by the Palm Beach County SCHOOL BOARD to enforce this Agreement shall be borne by PROVIDER. PROVIDER recognizes the broad nature of this indemnification and holds harmless article, and voluntarily makes this covenant for good and valuable consideration provided by SCHOOL BOARD in support of this indemnification in accordance with the laws of the State of Florida. This article will survive the termination of this Agreement.

N. Insurance Clause

PROVIDER is self insured for all purposes.

II. CONFIDENTIAL INFORMATION AND RECORDS

PROVIDER recognizes that the Student Records to which it may have access constitute confidential information. In the event that PROVIDER is requested or required under compulsion of legal process to disclose any such confidential information to any outside party, PROVIDER will not, unless required by law, disclose the confidential information until the SCHOOL BOARD and the SCHOOL BOARD'S Chief Counsel have each first (i) received prompt written notice of such request or requirement to disclose, and (ii) had an adequate opportunity to obtain a protective order or other reliable assurance that confidential treatment will be accorded the confidential information. PROVIDER shall not oppose actions by the BOARD or its Chief Counsel to assure such confidential treatment. The Provider will execute the Addendum Concerning Student Records, which is attached hereto and incorporated by this reference.

The SCHOOL BOARD, its students, and instructors recognize that PROVIDER'S patient records to which SCHOOL BOARD, its students, and instructors may have access, constitute confidential health care information covered by one or more privacy and confidentiality laws, regulations and or rules, including HIPAA. The SCHOOL BOARD, its students, and instructors, shall be bound by all

requirements for protection of this type of information, including the requirement to execute the PROVIDER'S Business Associates Agreement as required by law.

III. JURISDICTION AND VENUE:

This Agreement shall be governed by the laws of the State of Florida and if any dispute arises, then venue shall be in Palm Beach County.

IV. COPIES OF THIS AGREEMENT:

Copies of this Agreement shall be submitted to the office of the State Board of Nursing and Florida State Department of Education.

Copies of this Agreement shall be placed on file in the Secondary/Career Education Department.
