- shall maintain any confidential student information in secure data processing facilities or in securely locked cabinets, and the Party shall monitor the security and safekeeping of the confidential data; and
- will dispose of all information disclosed to it by the school or the School Board (and any copies thereof), after the purpose for which the information is disclosed has been served, or five years after the receipt of the information (whichever is sooner), by shredding paper documents finely enough to prevent possible recovery of information, and by totally erasing and over-writing (or physically destroying) any electronic media such as computer files, tapes, or diskettes, or physically destroyed.
