ACTION BY:
Various Dates

TO: All Principals and School Food Service Managers
FROM: Michael J. Burke, Chief Operating Officer *MJB*
SUBJECT: FCAT SUPPORT FROM THE SCHOOL FOOD SERVICE (SFS) DEPARTMENT FY14

SFS recognizes that **Florida Writes** testing will be held Tuesday through Thursday, February 25-27, 2014, and FCAT testing will be held Monday, April 14, through Wednesday, May 7, 2014. SFS promotes and provides a free nutritious and balanced breakfast every day. Prior to and during the FCAT testing period, SFS will provide nutrition education information through the Office of Communications emphasizing the importance of consuming breakfast during testing days. Once again, SFS will have the opportunity to provide #2 pencils with white erasers to all schools to be utilized during FCAT testing. The pencils will be distributed to the SFS Managers at the Thursday, February 18, 2014 Manager's In-Service training. The managers will provide them to their principal to be distributed to students when needed.

As in previous years, if you wish to purchase snacks for FCAT, you may go directly through SYSCO, our approved distributor. Orders should be placed with SYSCO on or before Friday, January 10, 2014. After this date, SYSCO cannot guarantee requested quantities will be on hand for FCAT delivery. **Please place orders for the delivery nearest the testing days in order to ensure freshness of product.**

Please remember that a separate school account must be set up with SYSCO prior to ordering. SYSCO's contact person is Denise Werner, Program Support Sales Specialist, at 561-882-2150. A list of approved products through SYSCO can be found on the District's Purchasing Website (refer to attached list). Details regarding the available products from produce and juice awarded vendors will be provided by your School Food Service Manager.
