SUBJECT: HEALTH SERVICES ON-LINE TRAINING FOR SCHOOL STAFF

**ACTION BY:
Information Only**

Student Intervention Services has established ongoing trainings to assist school staff designated to provide health services within our schools. There are three updated offerings through **TrainU** that school staff in these health service roles should complete to ensure compliance and safety. They are:

FY13 AED Site Coordinator Training – prepares designated school staff on the maintenance and deployment of Automatic External Defibrillators (AEDs) within schools. Please have the appropriate school staff sign up for these trainings at the following link:

- <http://trainu.palmbeach.k12.fl.us/course?id=1648>

FY13 Health Room Designee/Unlicensed Assistive Personnel (UAP) Training – provides a foundation to school staff assisting students with health issues and is an adjunct to the required licensed health professional training. Please have the appropriate school staff sign up for these trainings at the following link:

- <http://trainu.palmbeach.k12.fl.us/course?id=1649>

FY13 Medical Records Training – provides a review of the 2012-2013 school health requirements and immunizations and recent updates for the upcoming school year. Please have the data processor and appropriate school staff sign up for these trainings at the following link:

- <http://trainu.palmbeach.k12.fl.us/course?id=1647>

Professional development inservice points will be awarded to participating school staff upon their completion of the trainings and service in their schools. The specific number of points is explained within each course and is awarded annually.
