Chief Academic Officer

SUBJECT: 2012 PALM BEACH COUNTY SCHOOL DISTRICT COLLEGE AND CAREER NIGHT

The 2012 Palm Beach County School District College and Career Night will be held on Thursday, October 18, 2012, 6:00 p.m. to 8:00 p.m., at the South Florida Expo Center at the South Florida Fairgrounds, 9067 Southern Boulevard, West Palm Beach, FL. Over 175 colleges, universities, career programs and military representatives will be present to provide information regarding post-secondary options. Additionally, commercial vendors who provide tutoring and college search services will also be participating.

The College and Career Night is one of the most valuable resources for our students in providing them with pertinent college and career readiness information. All high school students and their parents are invited to attend this event free of charge. The opportunity to meet with college representatives is beneficial so our students can make informed decisions about their future and to plan accordingly.

Please inform students and parents about this event by posting the attached flyer, making announcements, and including the details in your student and parent newsletter. You also may want to consider providing bus transportation for students and parents/guardians who might not otherwise be able to attend.

Prior to the event, a list of participating institutions will be sent to school counselors.
