SUBJECT: 2012 WPTV FOOD FOR FAMILIES FOOD DRIVE

Over the past twenty-seven years, our schools and departments have participated in *WPTV's Food for Families* food drive and are encouraging participation by our district again this year. Our students, faculty, administrators and support staff have contributed generously to the success of these drives by donating thousands of pounds of food to needy families each year.

The *Food for Families* food drive is scheduled from October 17, 2012 through November 19, 2012, and you will be receiving a letter from WPTV inviting your school to participate. Food donations for departments will be organized through the Department of Public Affairs. Principals should confirm their school's participation by registering online at <http://www.wptv.com/> beginning **October 15, 2012**. All food items will be distributed to the needy through non-profit agencies in Palm Beach County.

We look forward to another successful year of collecting food for the less fortunate in Palm Beach County so they too can enjoy the upcoming holiday season.
