**SUBJECT: FCAT SUPPORT FROM THE SCHOOL FOOD SERVICE (SFS)
DEPARTMENT (FY 2012-2013)**

The School Food Service (SFS) Department recognizes that Florida Writes testing will be held February 26-29, 2013 and FCAT testing will be held April 15-26, 2013 this school year. School Food Service provides and promotes to students a nutritious and balanced breakfast every day. Prior to and during the FCAT testing period, the SFS Department will provide nutrition education information through the District's Public Affairs Department emphasizing the importance of consuming breakfast during testing days. This year the SFS Department will have the opportunity to provide #2 pencils to all schools to be utilized during FCAT testing. Due to an issue that arose last year with some of the pencil erasers, all pencils have white erasers this year. The pencils will be distributed to the School Food Service Managers following the February 19, 2013 Manager's In-Service training. The managers will provide them to their principal to be distributed to students when needed.

As in previous years, if you wish to purchase snacks for use during FCAT you may go directly through SYSCO, our approved distributor. Orders should be placed with SYSCO on or before Friday, January 11, 2013. After January 11, SYSCO cannot
