**SUBJECT: ADVANCED PLACEMENT (AP) POTENTIAL® AND MY COLLEGE QUICKSTART® TRAINING**

Single School Culture © Initiatives has scheduled AP Potential® and My College QuickStart® Training which will be held on Monday, February 4, 2013 and Thursday, February 7, 2013. *AP Potential®* is a highly effective tool for identifying and recruiting students to increase participation in Advanced Placement courses, as well as identifying which courses should be considered for expansion of your AP program. Additionally, *My College QuickStart®* is an online college and career planning tool available free of charge to all students who take the PSAT/NMSQT. Both of these programs are powered by student responses to the PSAT test and provide personalized information that helps students take their next steps toward college.

The training will be provided by Hoor Bhanpuri, Senior Educational Manager with the College Board. Principals from each high school are strongly encouraged to attend and should bring a Guidance Counselor or AP Coordinator with them. Principals may also wish to encourage other school site administrators or teachers involved in the AP enrollment process or SAT preparation strategies to attend. Participants should select one of the following sessions:

Monday, February 4, 2013

8:00 a.m. – 11:00 a.m.
