This highly interactive summit will include an expert panel from all aspects of the issue during the first session. The second session will include round table discussion with panel experts on how to meet the objectives for the summit that are listed below.

- What are the barriers to increasing healthy food into schools
- What is working at schools/communities? What can be scaled up and replicated?
- How do we engage school staff, students, parents, community to move the process forward.

1st Concurrent Session 8:30 a.m. -9:45 a.m. (75 minutes)

Moderator: Stefan Anderson will introduce the Summit and Objectives

Each of the six speakers will have up to eight minutes to answer the following questions:

- Their name, their company name and background and how they work with school food
- The main barrier in their field holding U.S. schools back increasing healthy eating
- What strategy they have seen used to bring healthy eating into school lunch programs and can it be replicated

After each speaker: 2 or 3 minutes will be allowed for questions specific to that speaker

Break 9:45-10:00am

2nd Concurrent Session 10:00 a.m. - 11:15 p.m. (75 minutes)
