SUBJECT: LAST DAY FOR ASSIGNMENT OF STUDENTS BY CHOICE PROGRAMS

The Department of Choice and Career Options will not assign students to any Choice Program from the wait pool after the close of business on August 16, 2013. Adhering to this deadline supports each school's efforts to meet class size reduction mandates. It also allows for class rosters and master boards to be finalized as much as possible prior to the start of school. Additionally, restricting assignments to occur before the August 16, 2013 date supports the Department of Transportation's goal of having bus routes finalized before the first day of school. By not making last minute changes, thousands of transportation dollars will be saved.

If you have any questions regarding the cut-off date, please contact Peter B. Licata, Director of Choice and Career Options.
