SUBJECT: CHOICE SHOWCASE OF SCHOOLS

The school District of Palm Beach County's Department of choice and Career Options invites all parents/guardians of Palm Beach County students to attend the Annual Showcase of Schools on **Tuesday, October 8, 2013, from 4:00 – 8:00 PM at:**

South Florida Fairgrounds Expo Center
9067 Southern Blvd.
West Palm Beach, FL 33411

Representatives from all schools with Choice and Career Programs will be available to discuss the many opportunities offered to students.

Choice Programs emphasize a specific theme and offer students a unique opportunity to study in an area of interest. The Showcase gives parents/guardians and students the opportunity to explore the educational options offered by the School District of Palm Beach County. Please share this information with all of your students and parents through Edline, your school's newsletter, or any other announcement venues.

This year we will have business partners in attendance that support our many Choice and Career programs. Please encourage your parents and students to attend this exciting event to learn more about Choice and Career Options available and discover how local business partners are helping to support the District's efforts in providing opportunities for students to graduate college and career ready.
