Proactive and Positive Classroom Management Strategies

Single School Culture © Initiatives will be providing a three-session training series in Classroom Management. All instructional personnel are invited to participate. Please note that all sessions must be completed in sequential order and will be held from **4:30 to 7:30 PM**. Stipends will not be offered.

These training sessions are open to all instructional staff who would like to attend and are strongly recommended for staff members looking to expand their classroom management strategies “toolbox.”

This training series is based upon a systematic approach and is structured to help teachers identify and implement effective classroom management strategies and practices. Participants will develop an initial *Classroom Management Plan* or enhance/revise the less effective areas of their current plan.
