|---|---|

| <u>Time</u> | <u>Agenda Item</u>  |
|-------------|---|
| 9:00 – 9:10 | Welcome and Introductions   |
| 9:10 – 9:20 | <p>Berkshire Trail Grand Opening</p> <p>Healthy snacks were provided by our partners.</p>  |

The Berkshire Elementary Chorus opened the event.

There were lots of community members in attendance.

Mrs. Bishop the school principal was the star of the show.

Many healthy vendors attended.

The grand opening included an inaugural walk of the trail.

The finale was a zumba class!

Learn Green Conference

9:20 –  
9:30

HKHC was once again one of the hosts of the Learn Green Conference. As a part of the conference we also sponsored tours of two of our gardens. North Grade Elementary and

Tradewinds Middle School.

9:30 –  
9:40

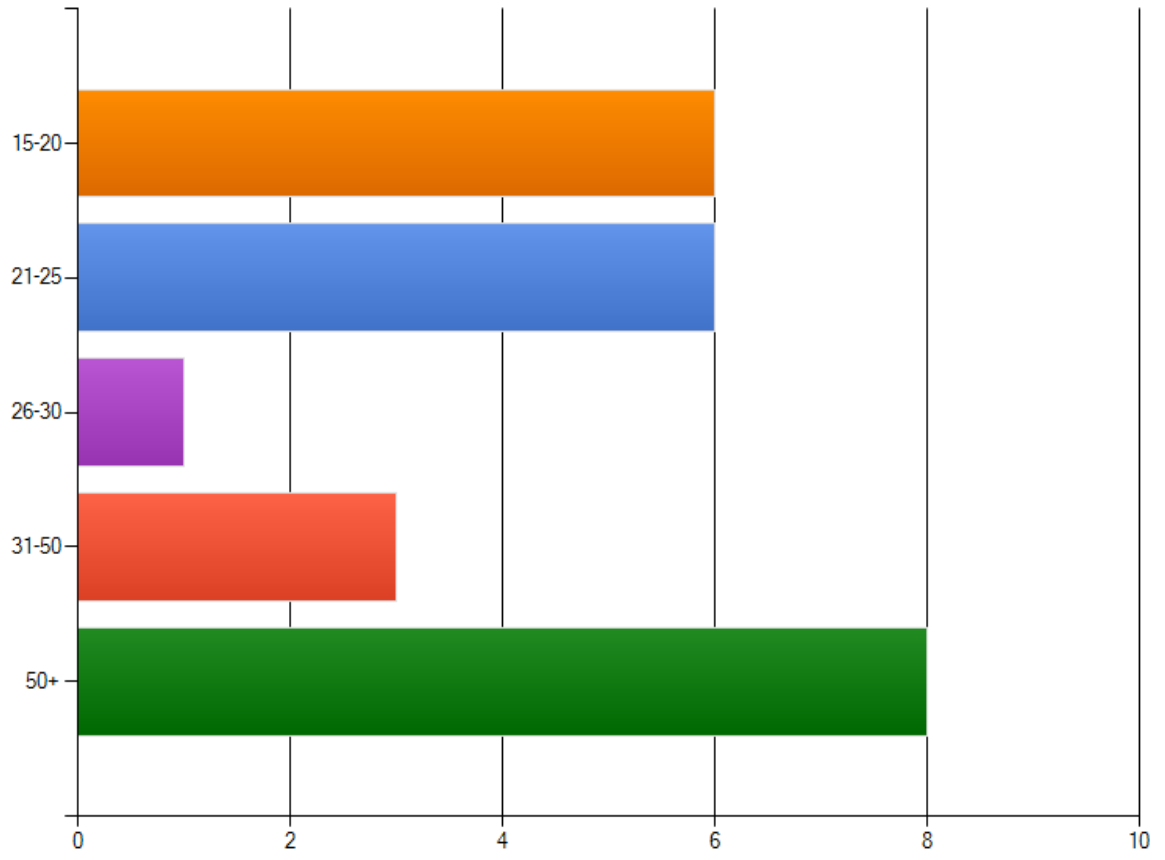

Video – The final HKHC video was completed and viewed at the meeting. To see it please visit, <https://vodcast.palmbeachschools.org/player/21KSK>

9:40 –  
9:50

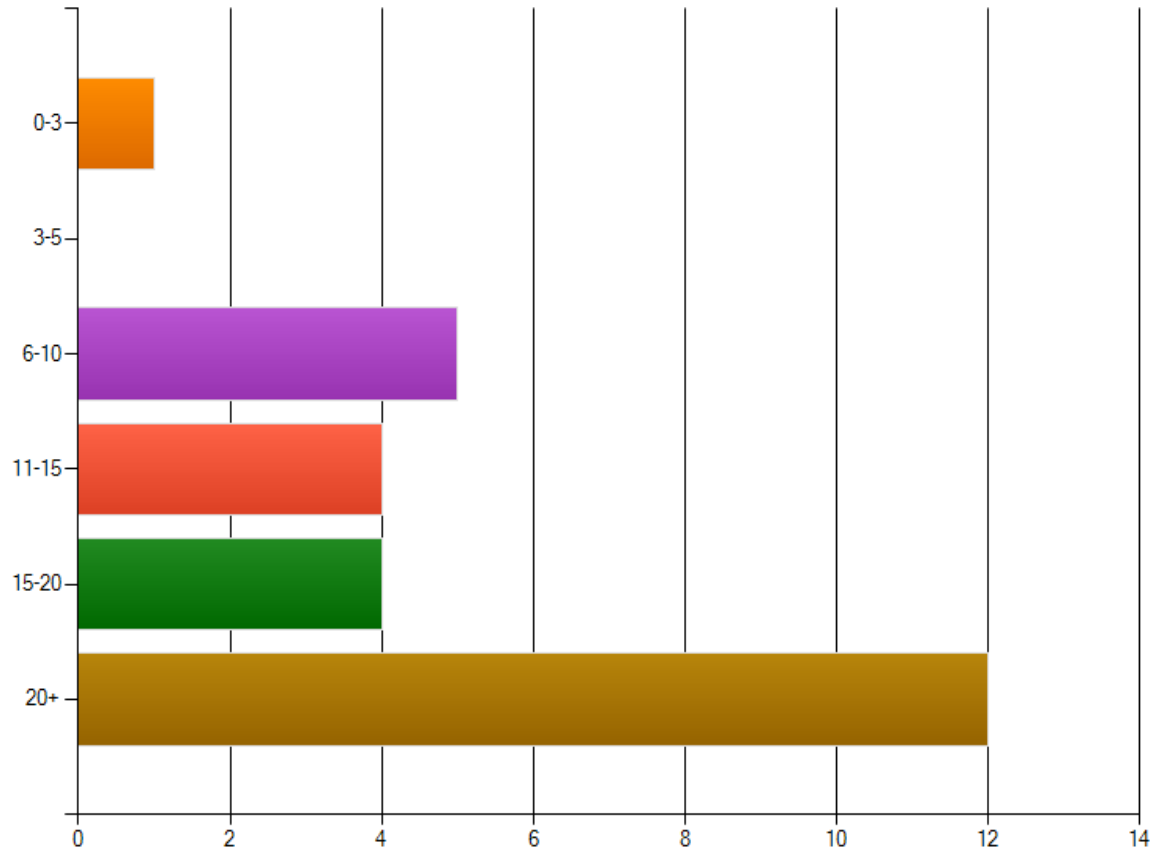

Survey Results

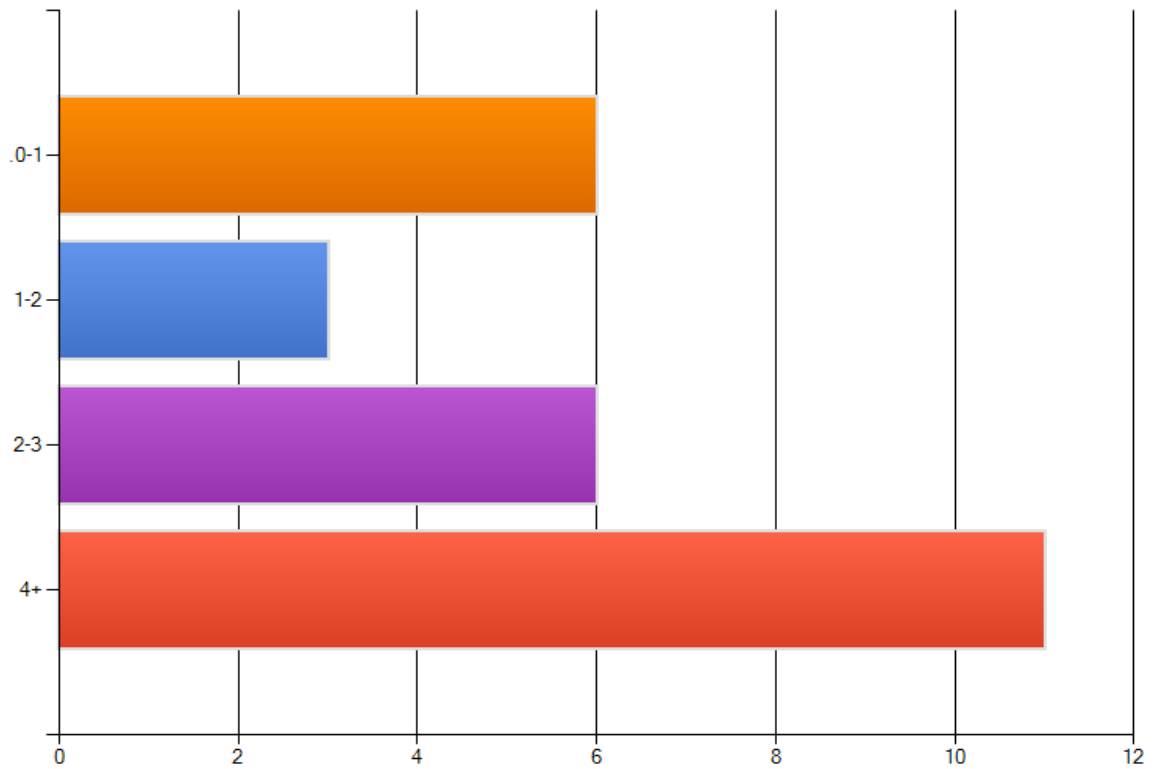

**Total number of students in your class(es):**

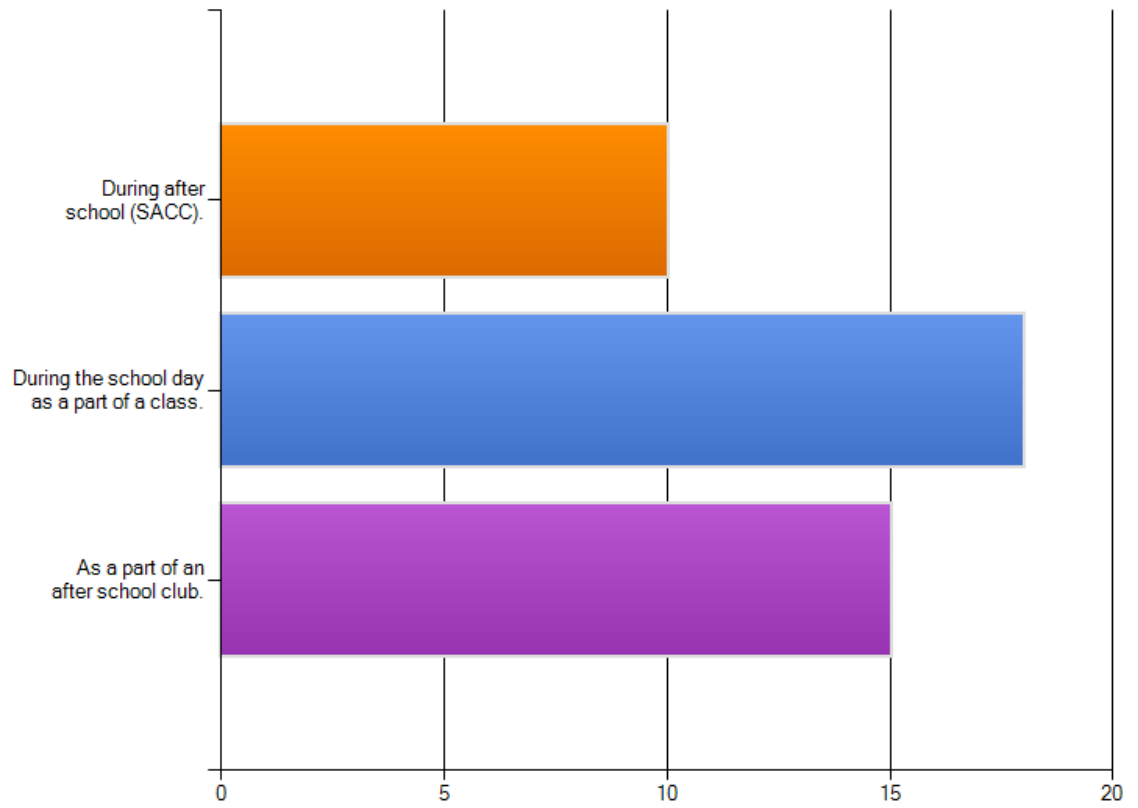

**Years of teaching experience:**

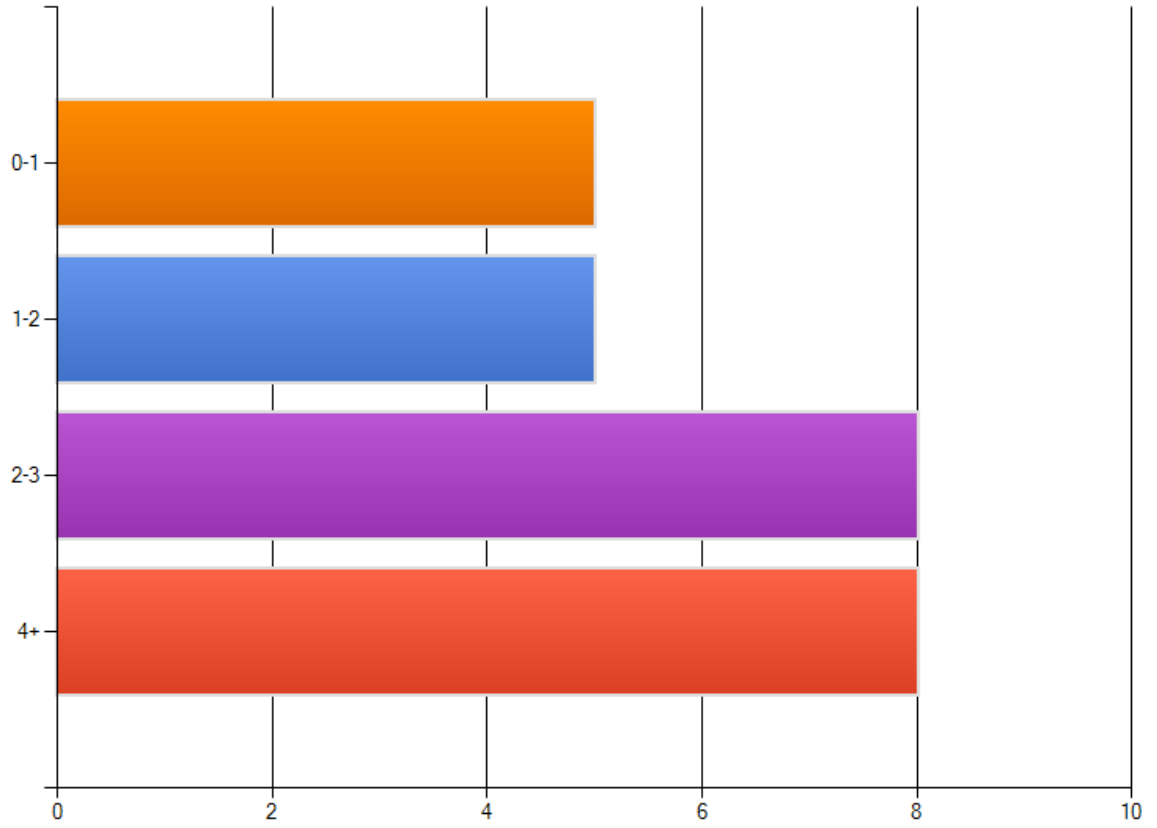

**Number of years there has been a school/community garden at your current site:**

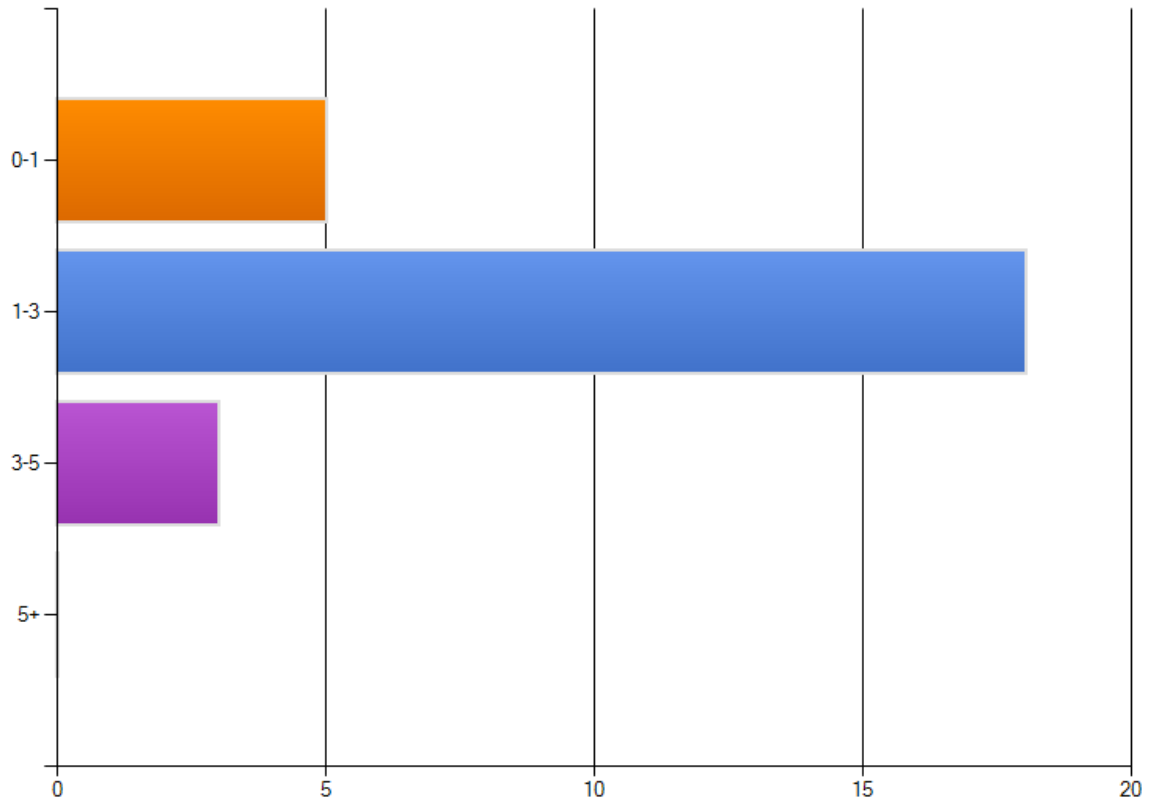

### When do your students go to the garden?

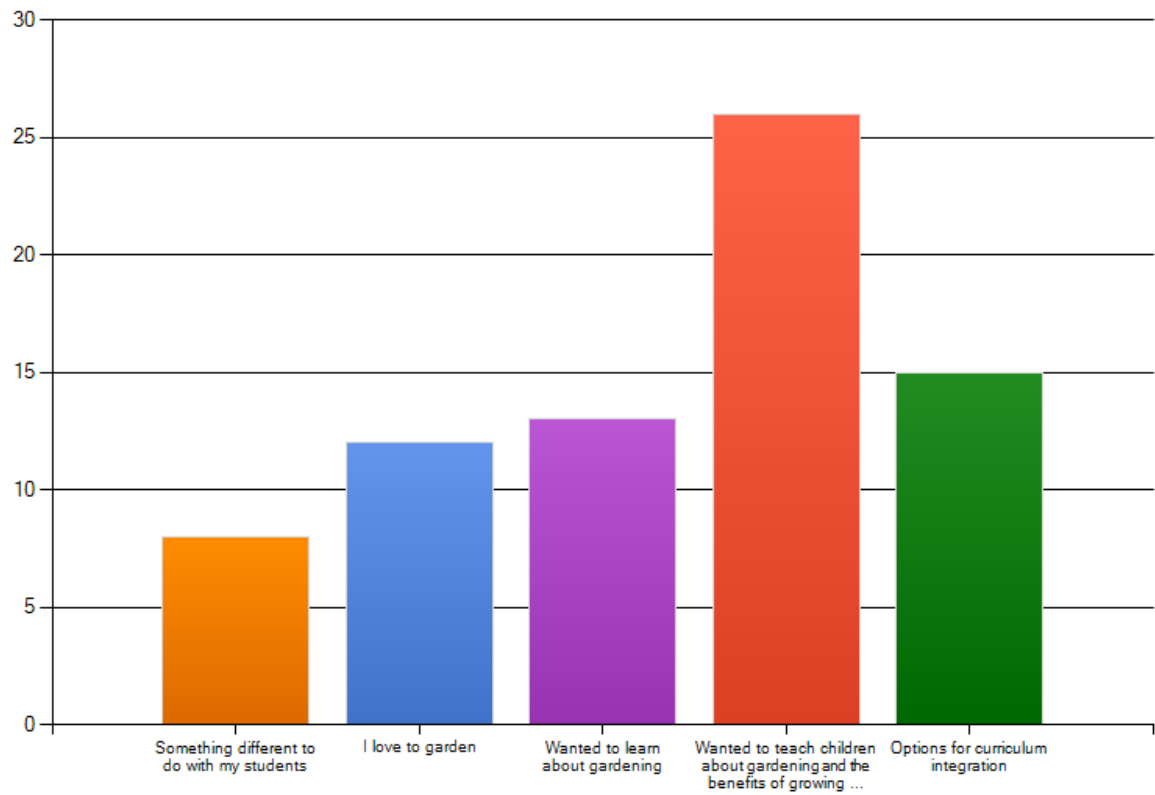

**Number of years you have been involved with the garden:**

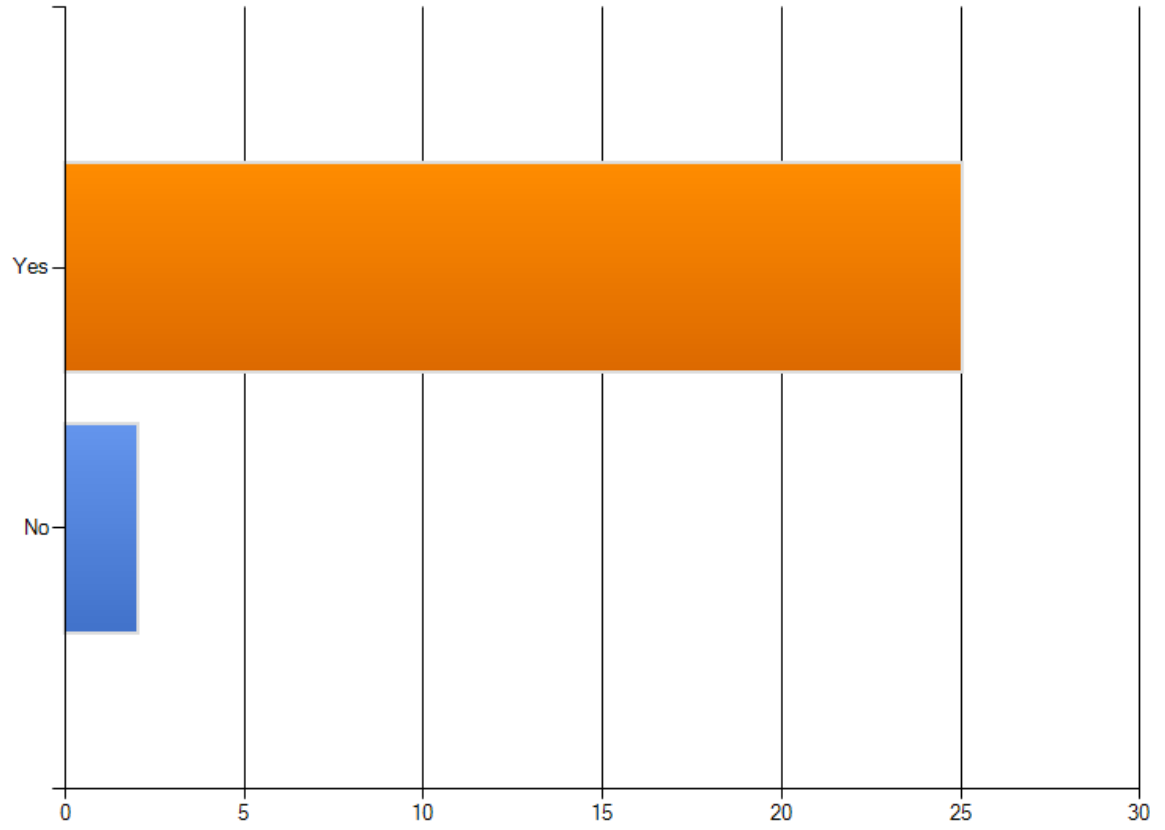

**How many hours a week does a typical child spend in the garden?**

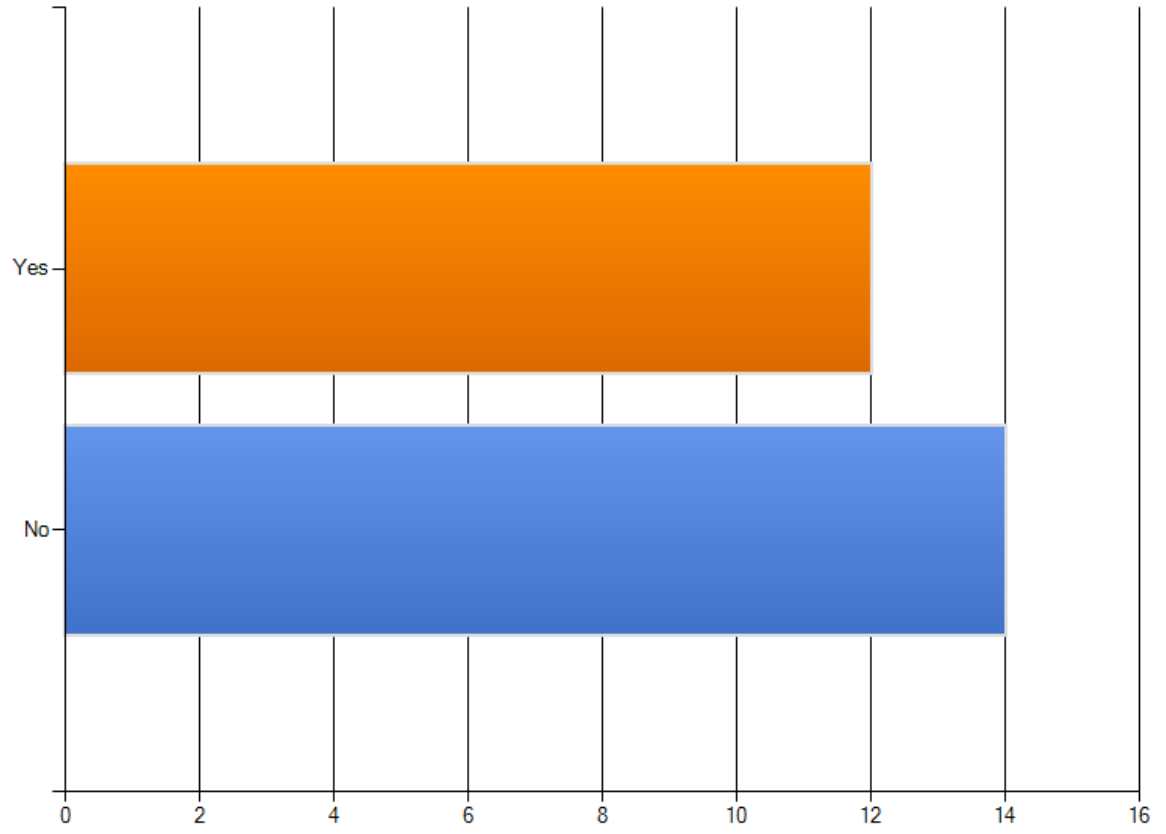

**Why did you decide to become involved with the school garden? Please check all that apply.**

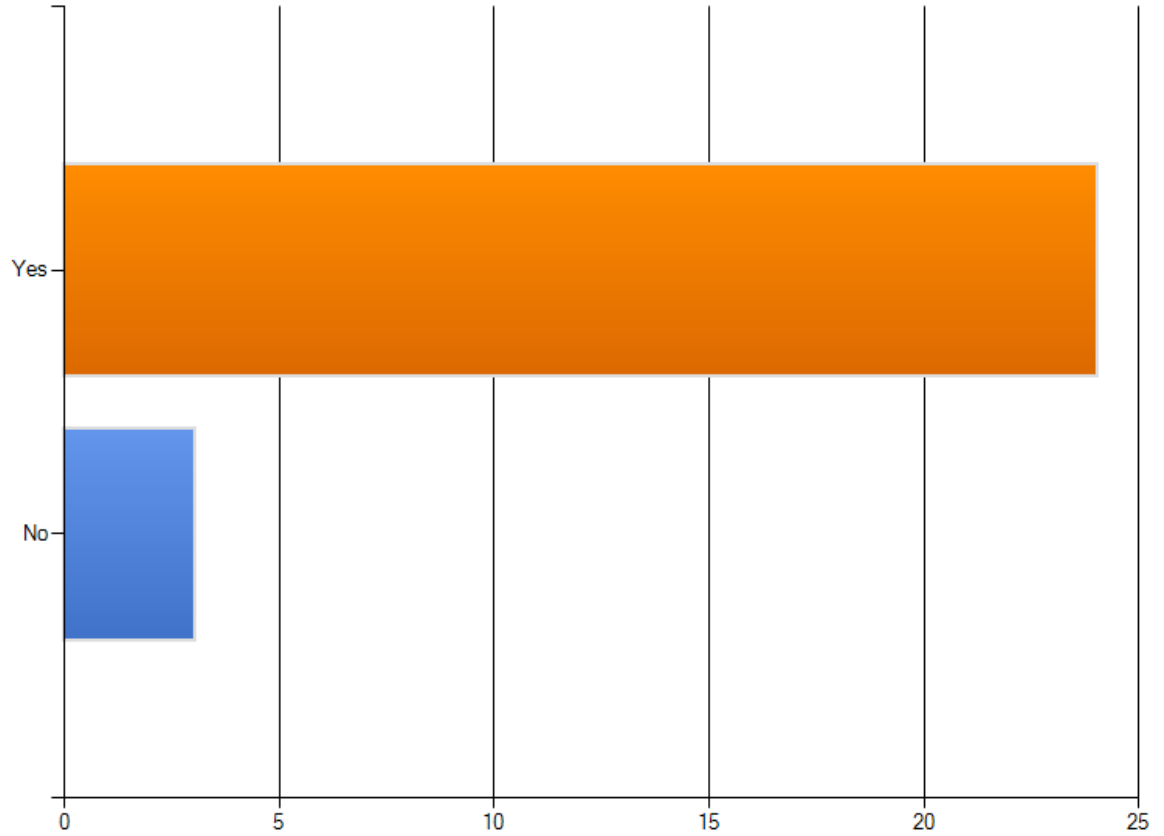

### Did you participate in the design of the garden?

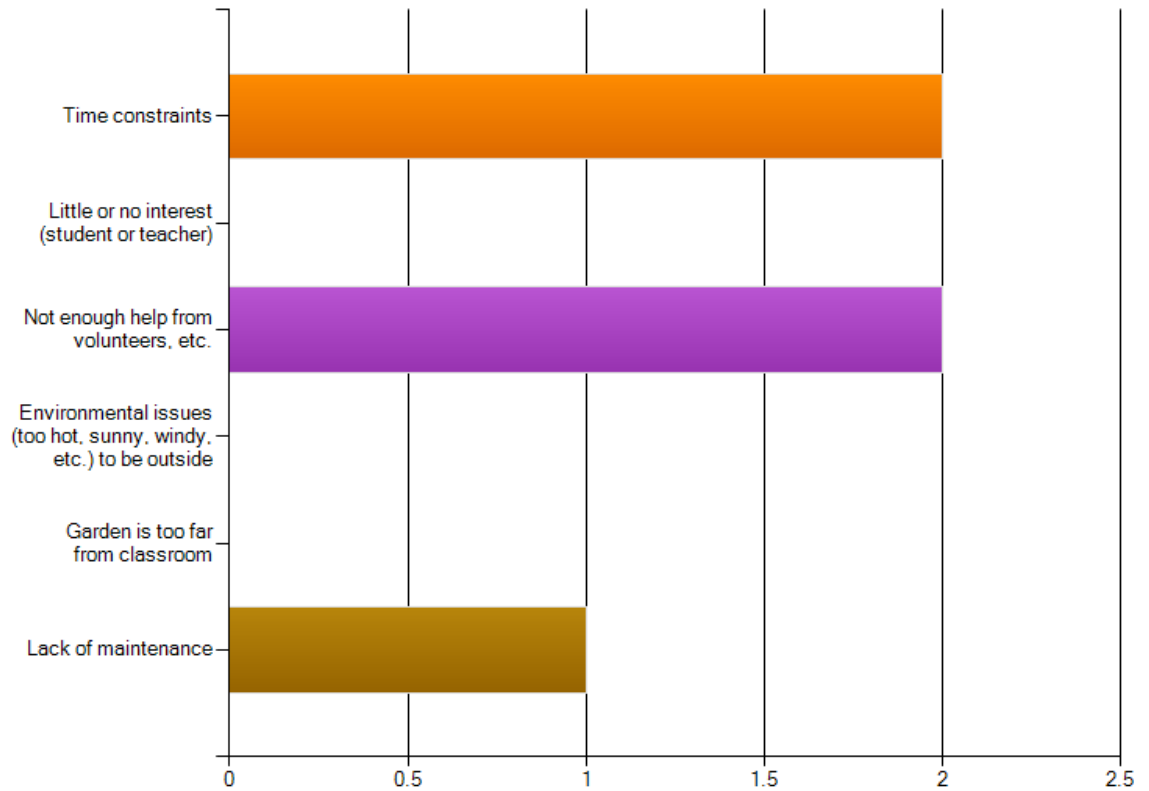

### Did students participate in the design of the garden?

### Is the garden integrated into your curriculum?

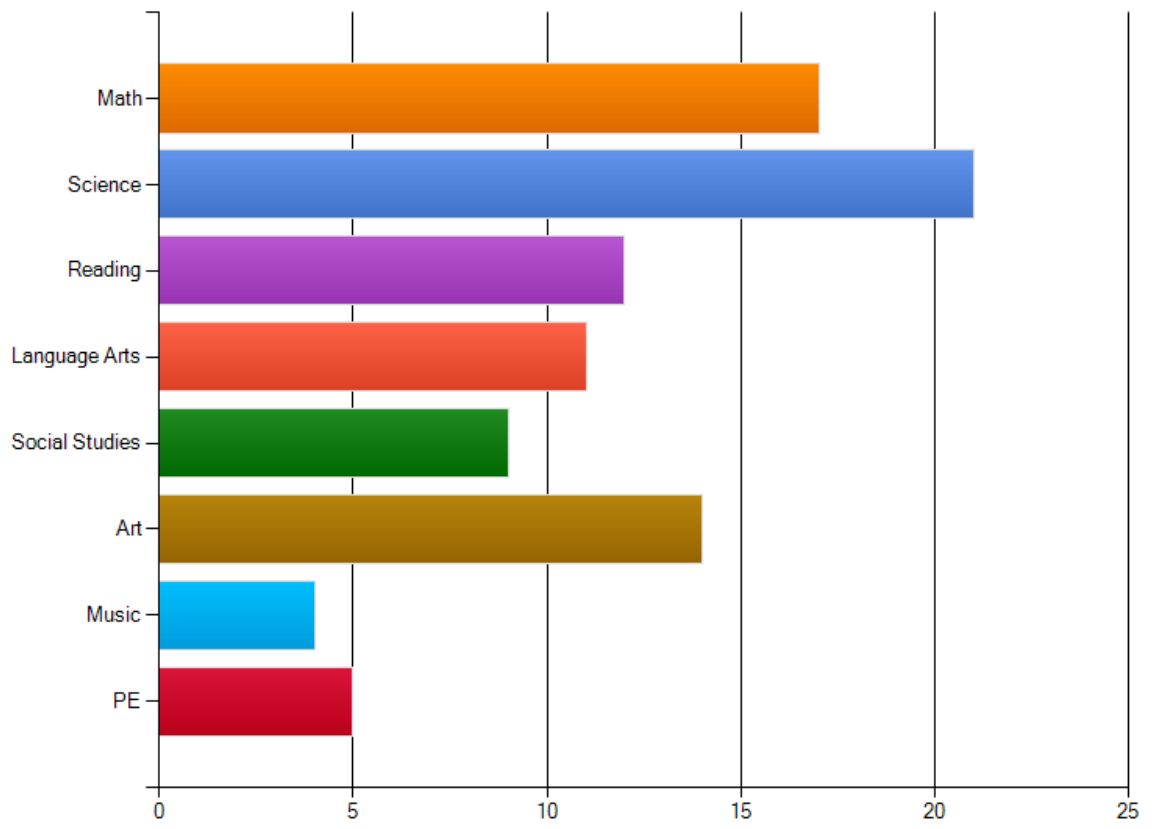

### If no, why not? Please check all that apply.

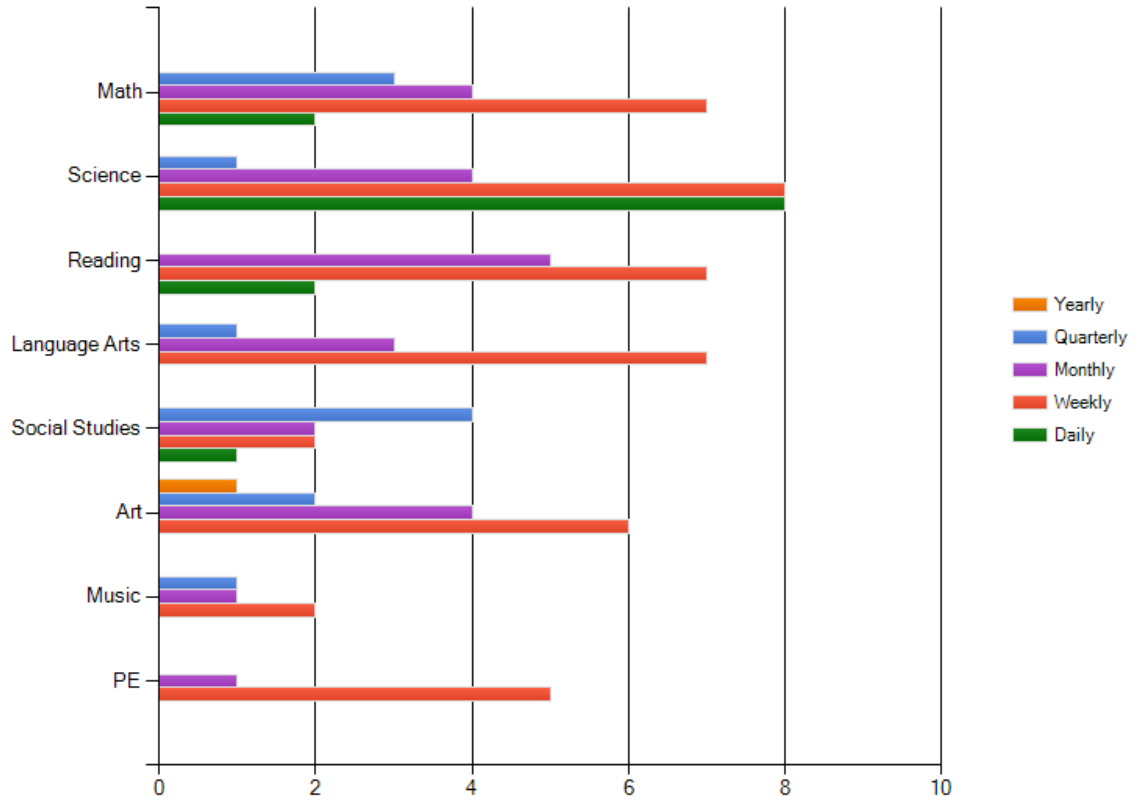

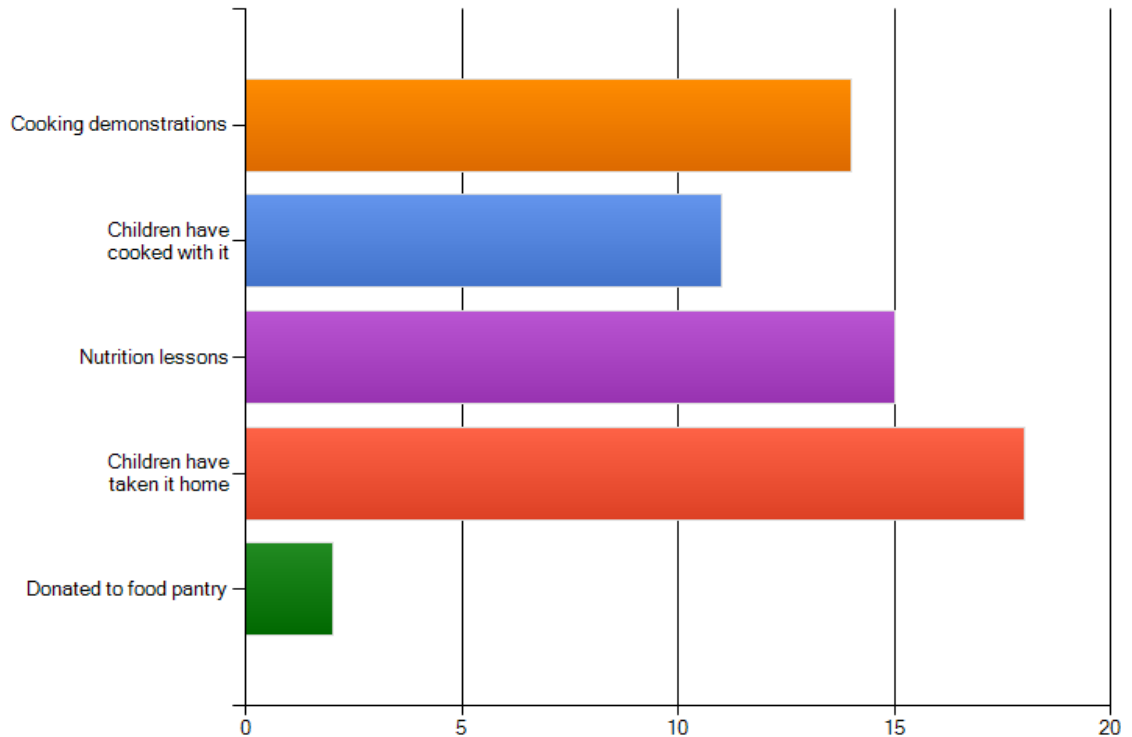

If yes, what subjects have been connected with your garden? Please check all that apply.

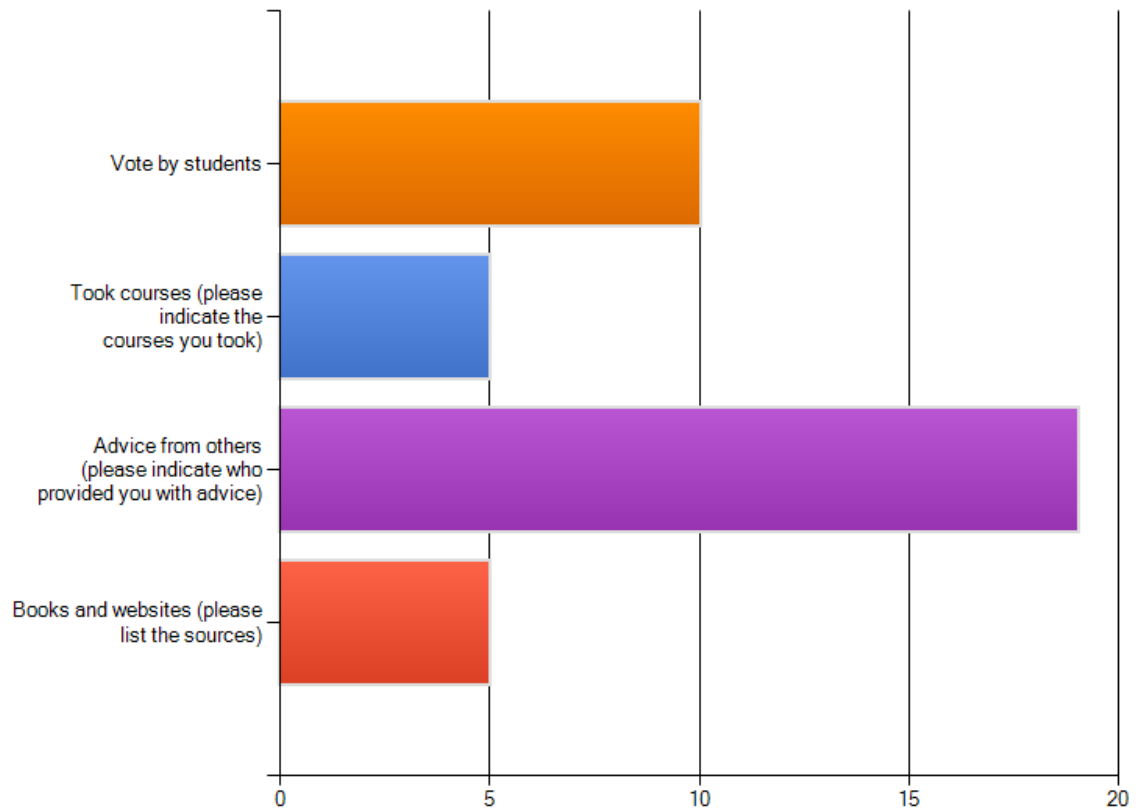

**How often do you use the garden for**

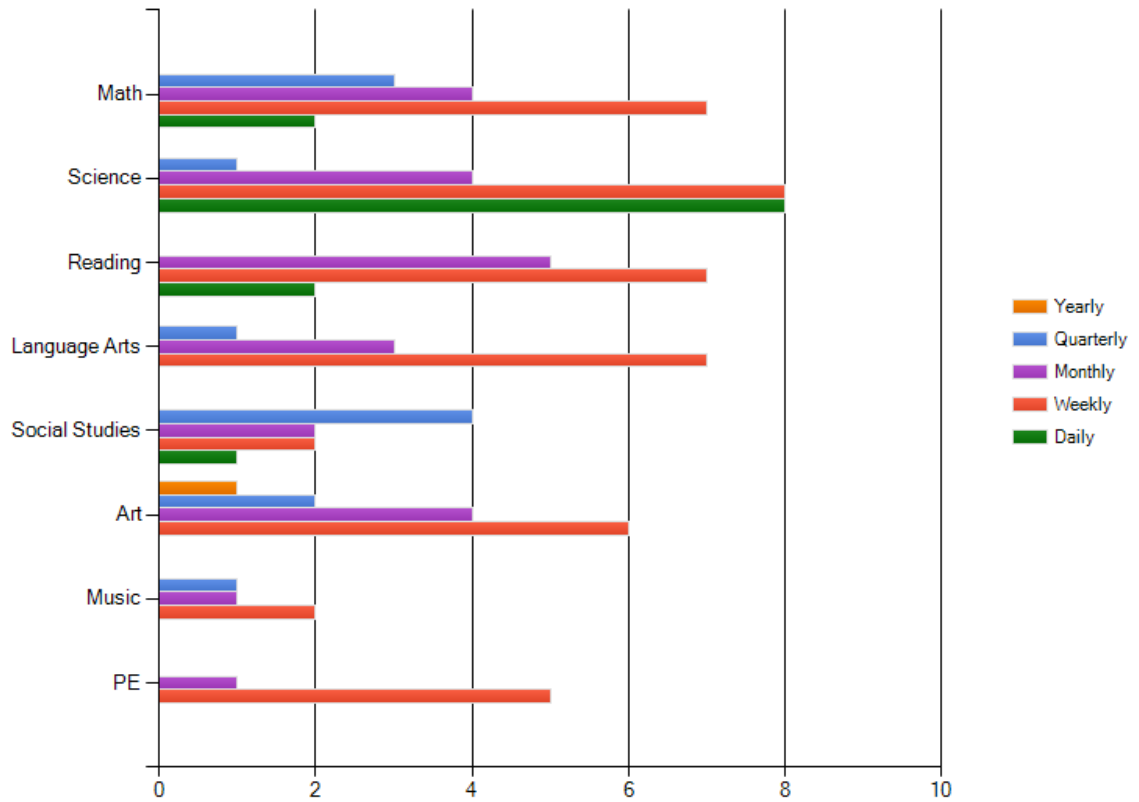

**Beyond being integrated into the curriculum, how has the food from the garden been used? Please check all that apply.**

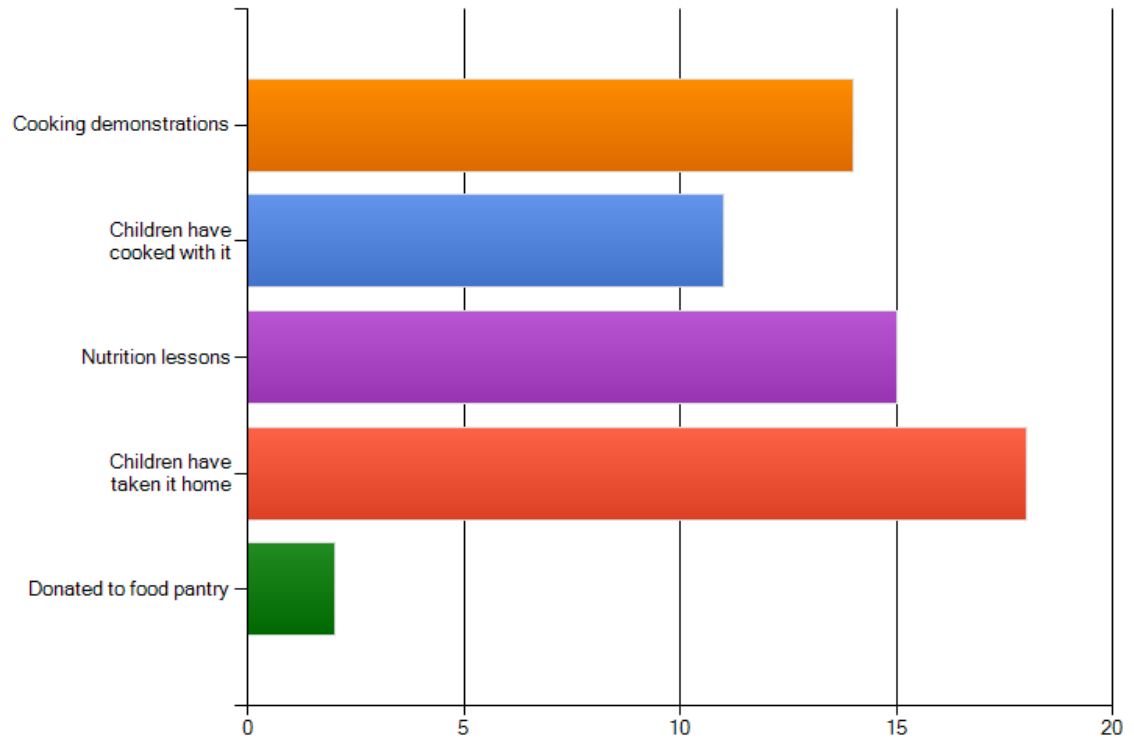

**How did/do you decide what to grow in the garden? Please check all that apply,**

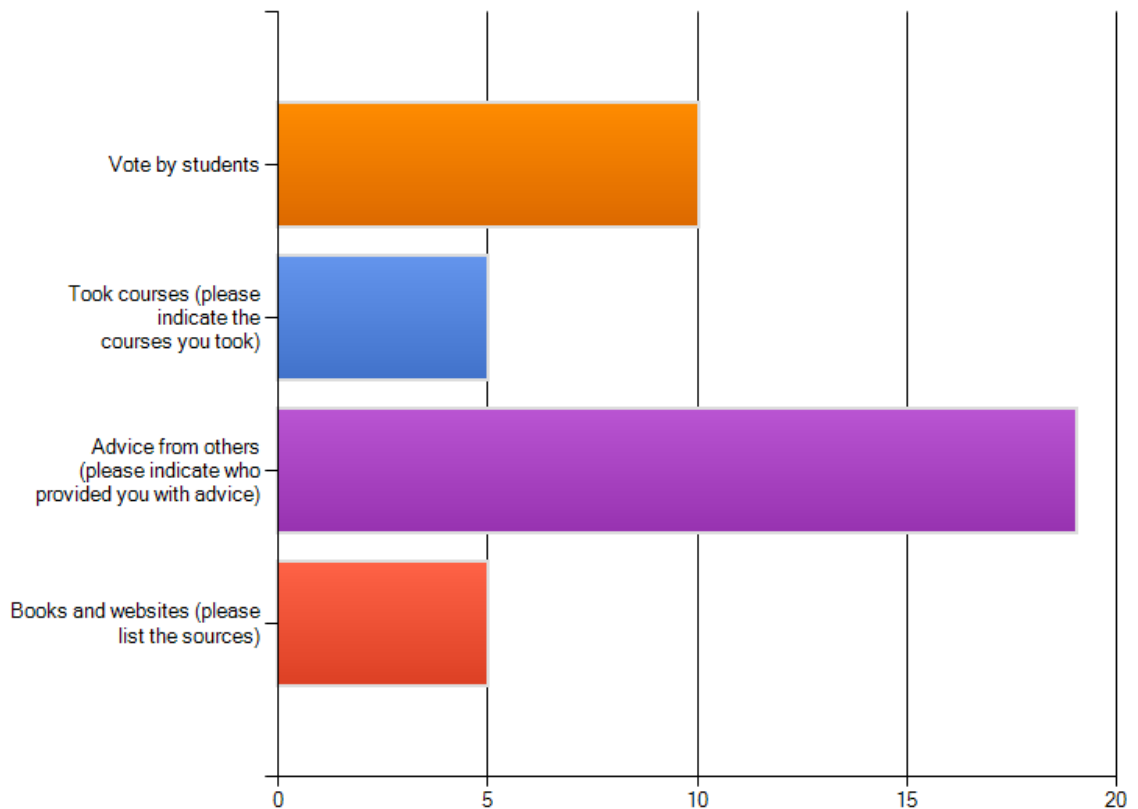

**How often do you use the garden for**

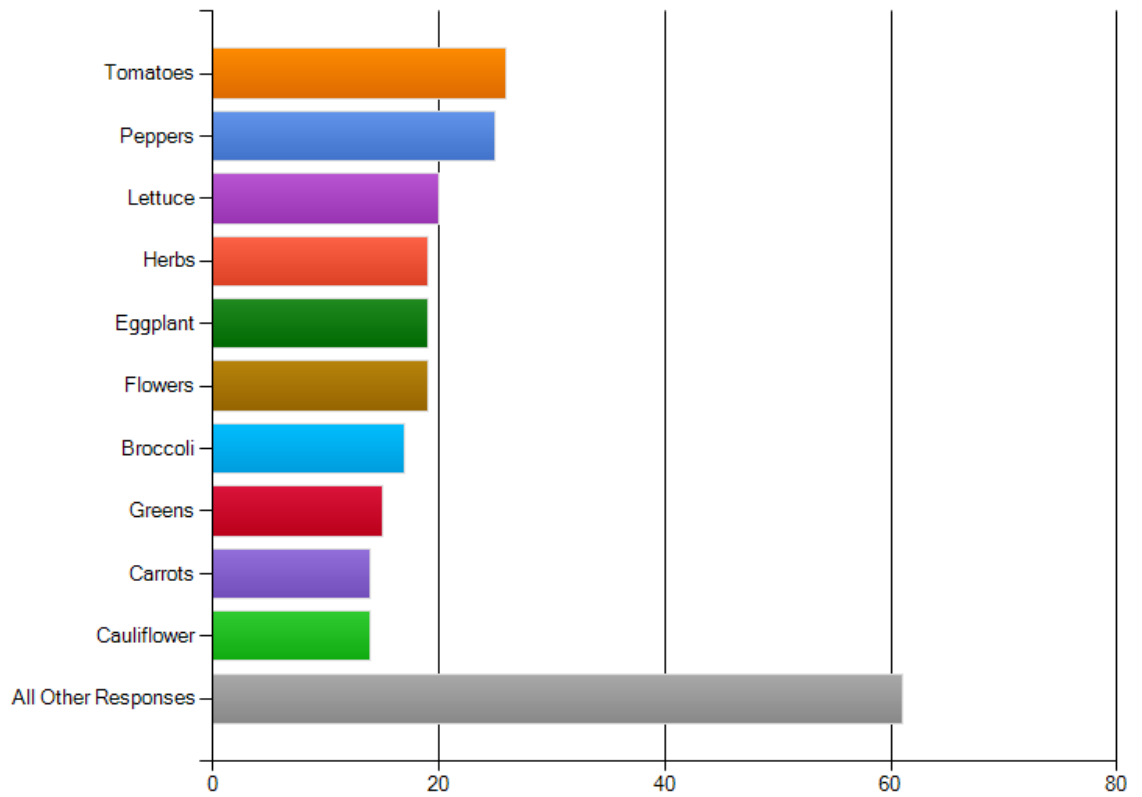

**Beyond being integrated into the curriculum, how has the food from the garden been used? Please check all that apply.**

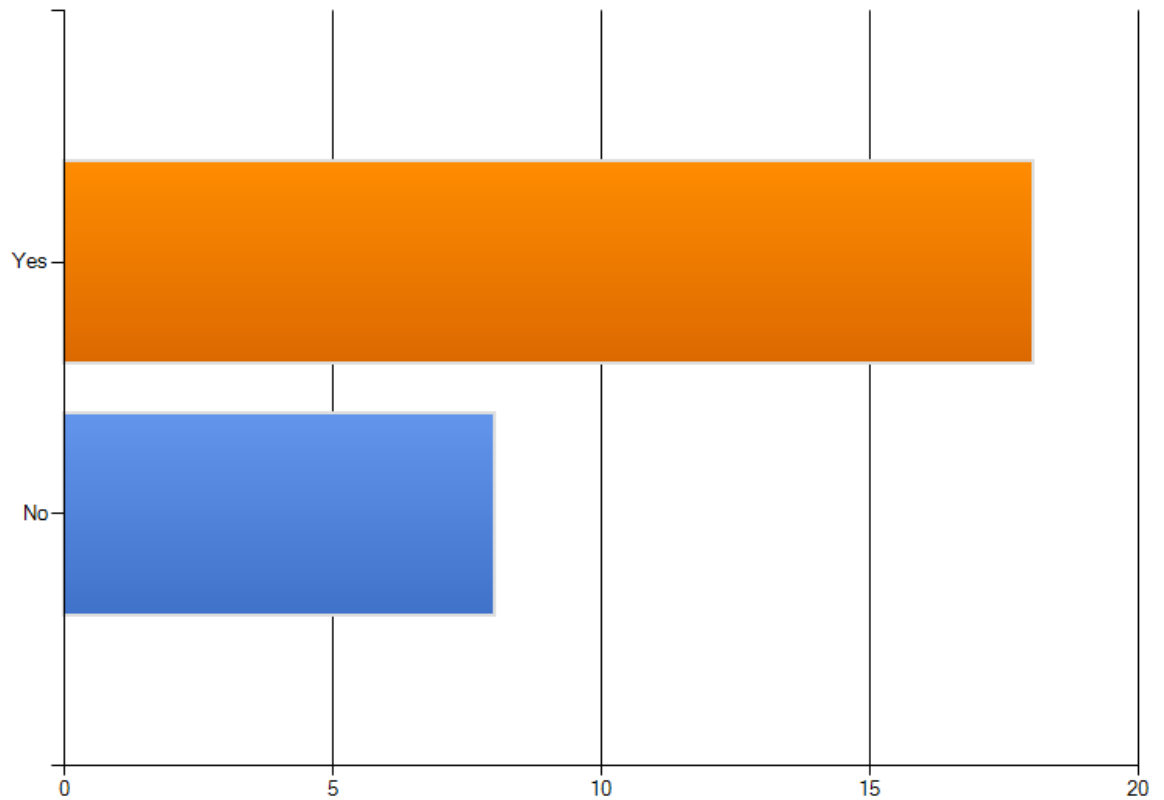

**How did/do you decide what to grow in the garden? Please check all that apply,**

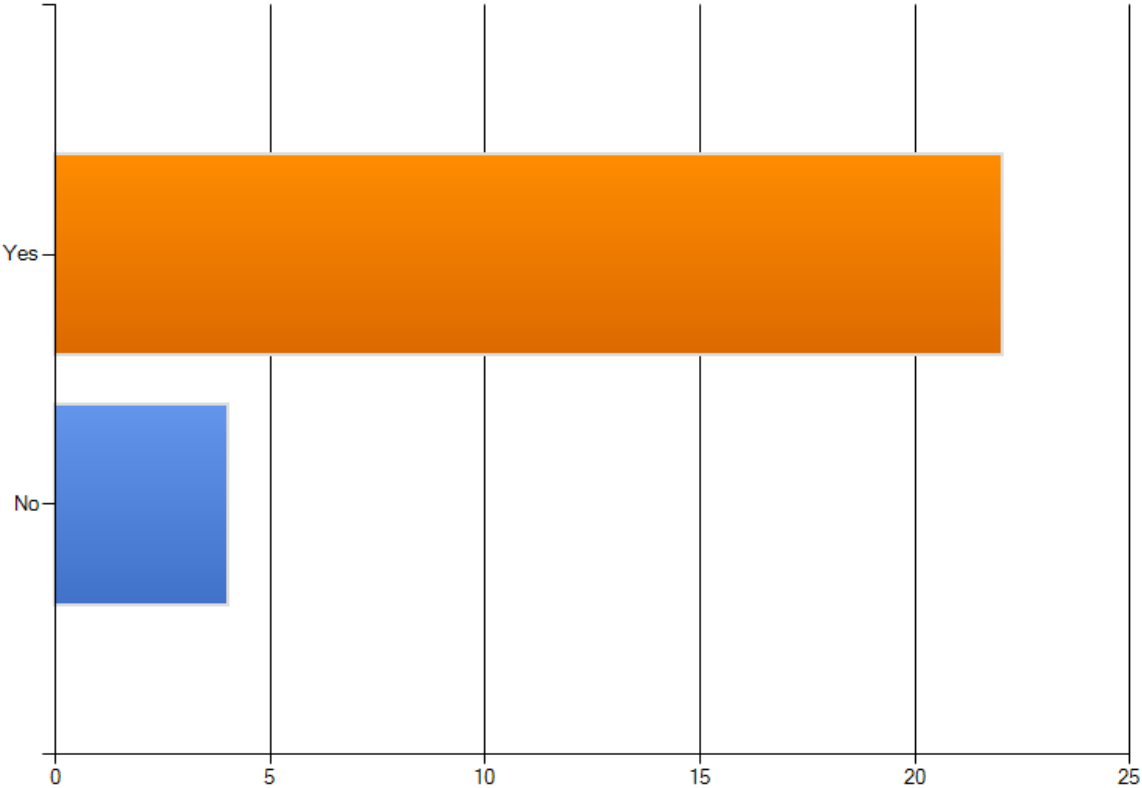

**What did/do you grow in the garden? Please check all that apply.**

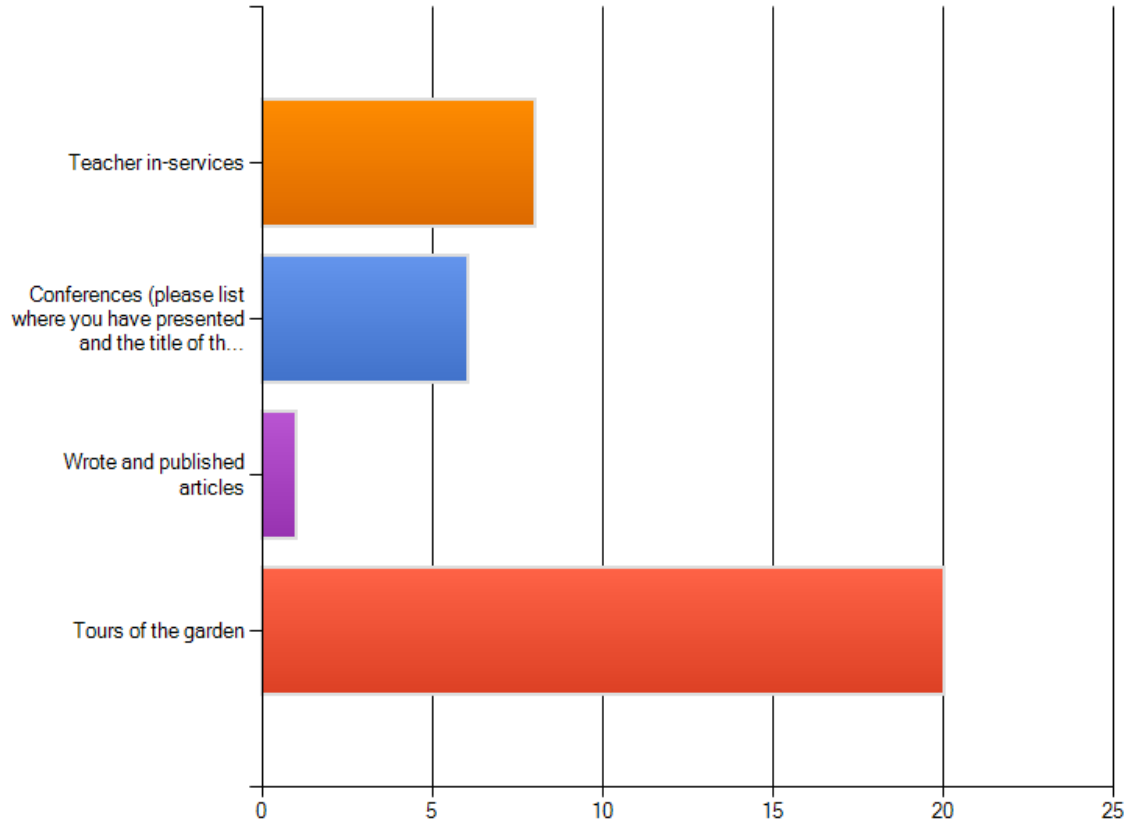

**Have you saved seeds and planted them?**

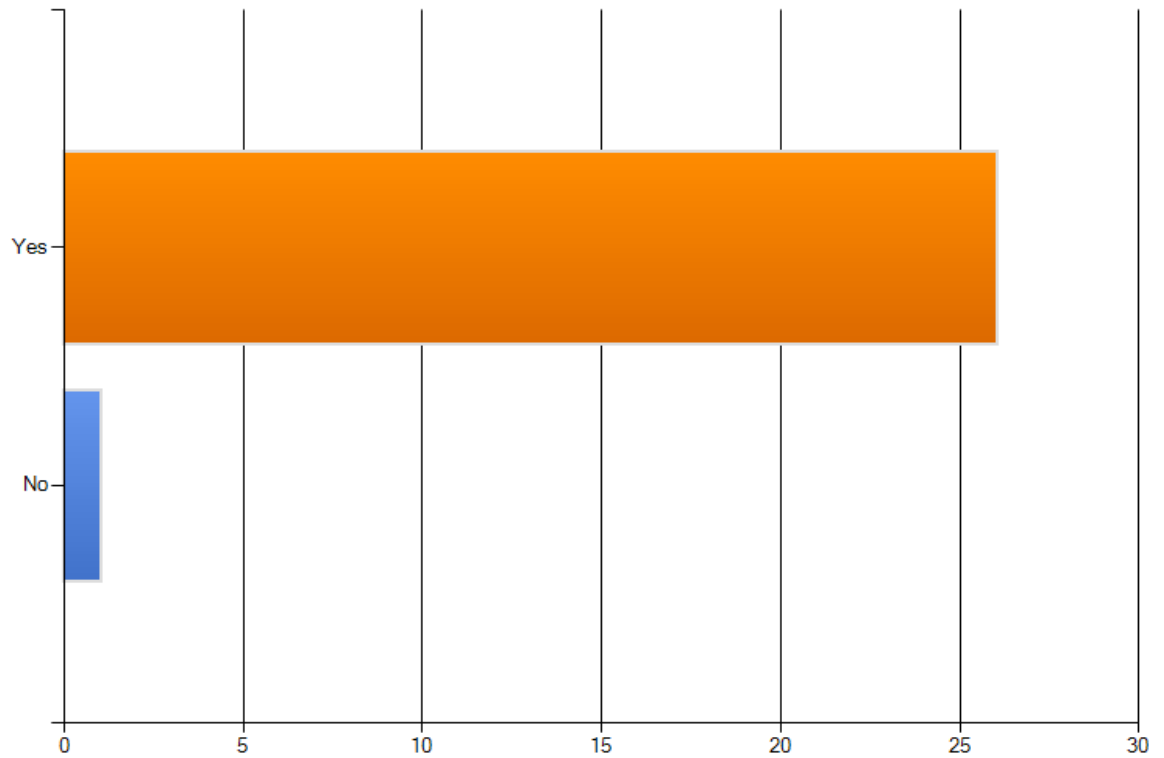

Have you shared your knowledge about school gardens with others?

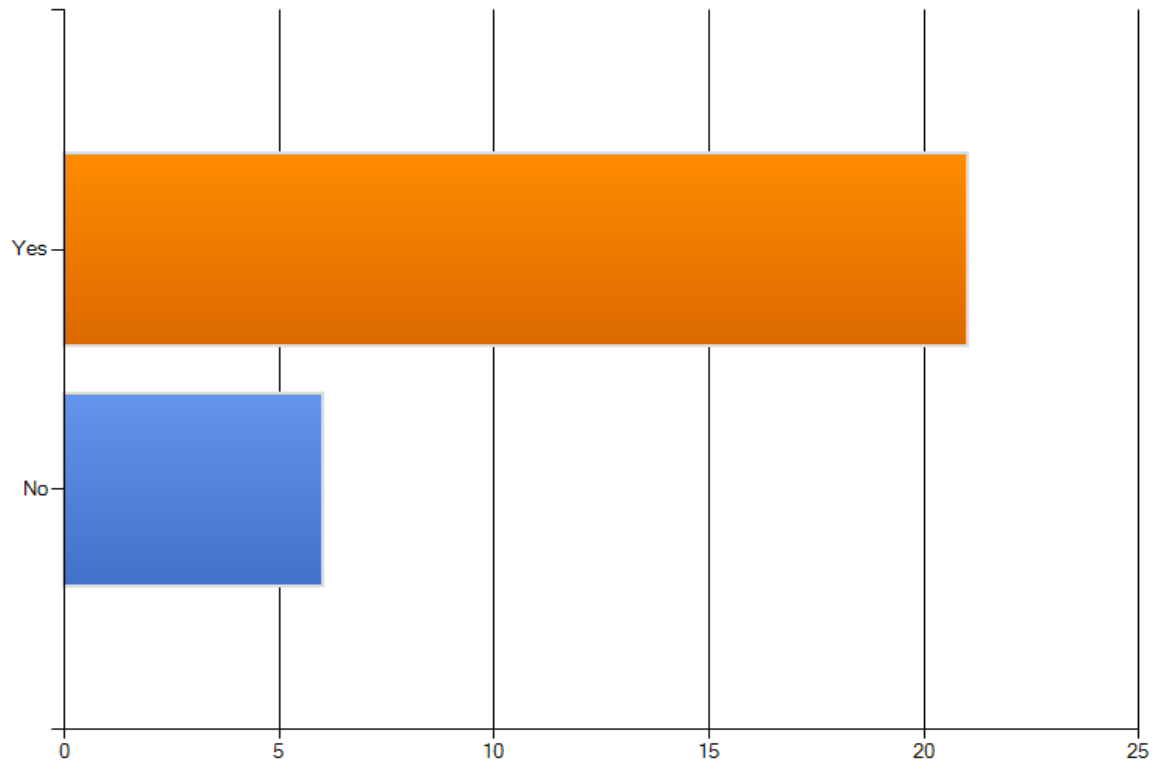

**If yes, how have you shared this knowledge? Please check all that apply,**

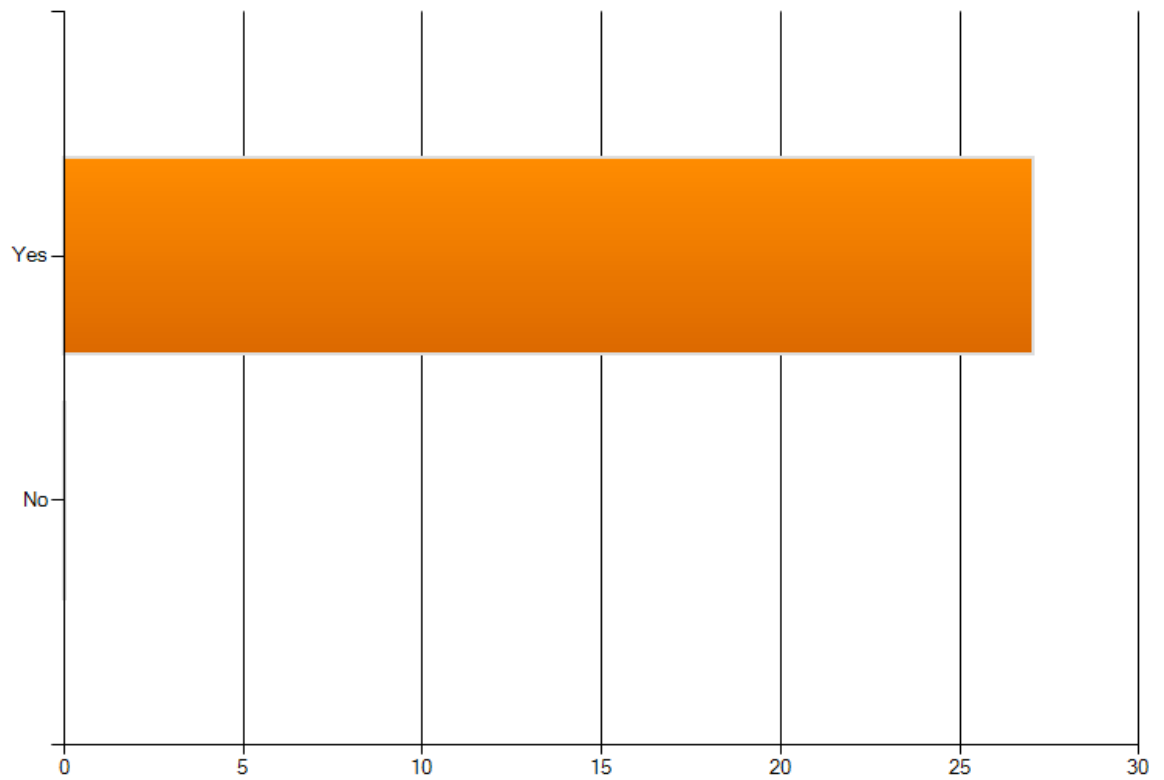

**Did you have the support you needed throughout the garden construction and initial planting?**

**Has being involved with the garden changed your life?**

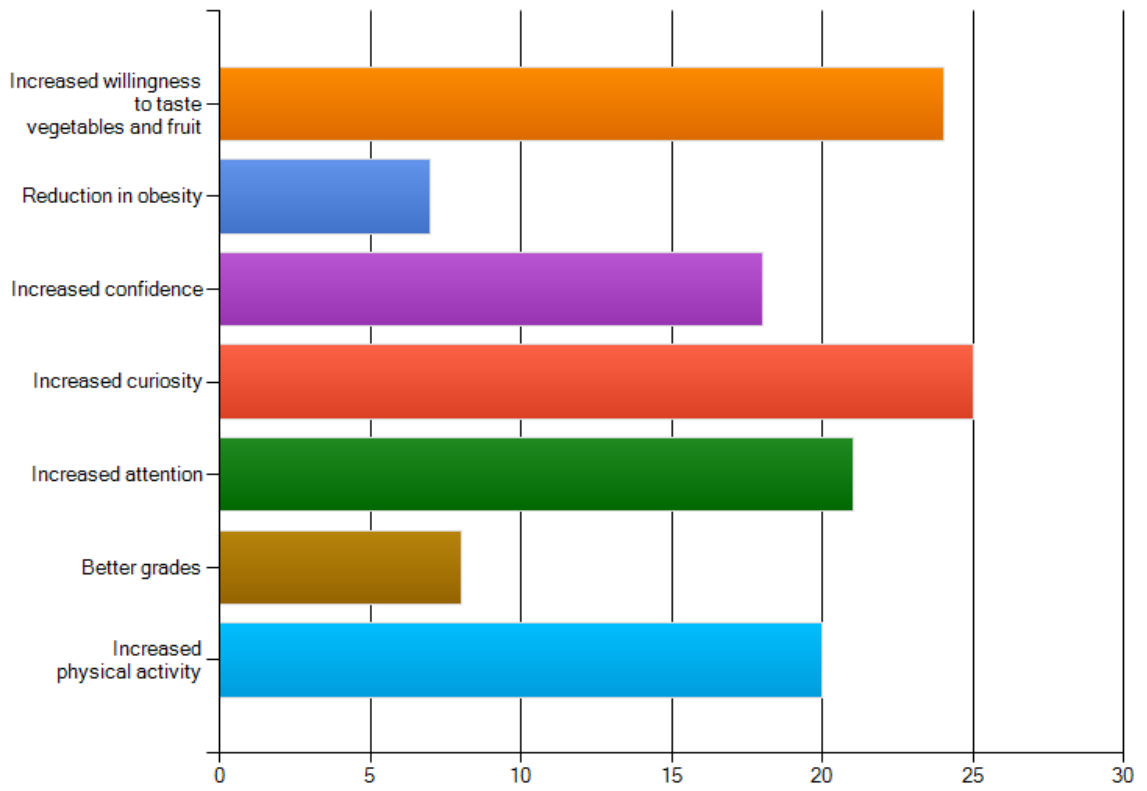

**Do you see the garden as being transformative for children? Has it changed their lives?**

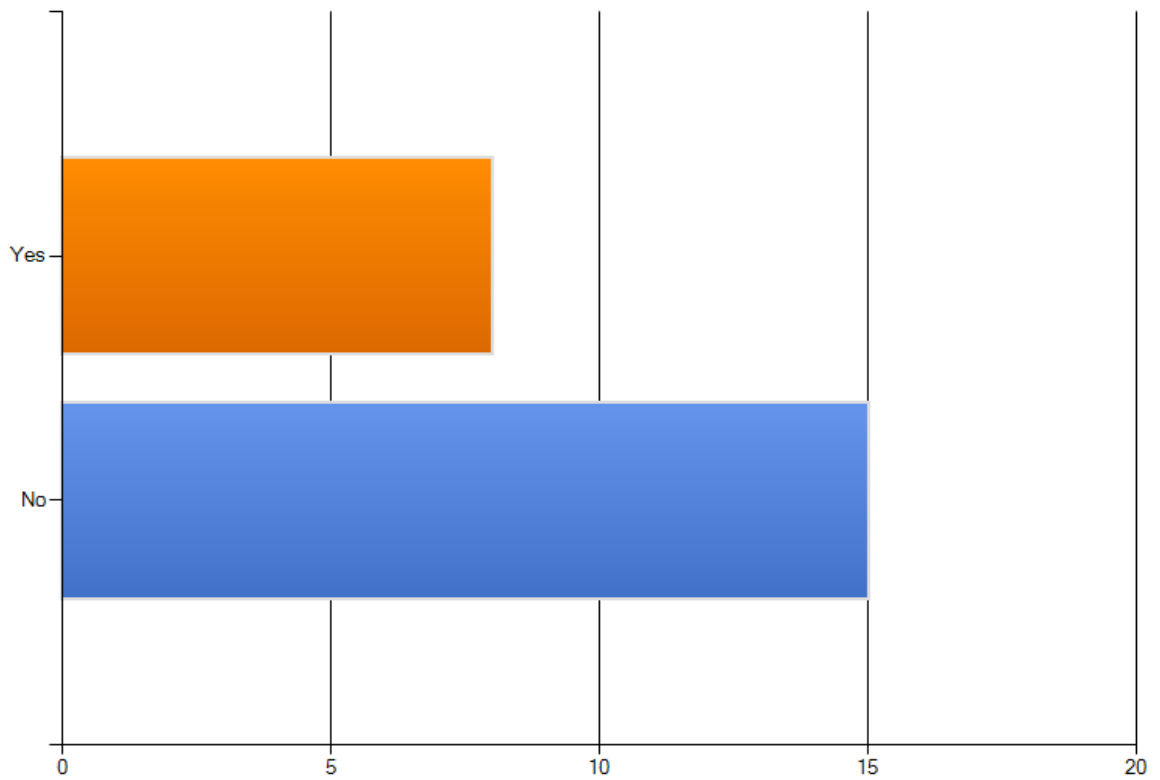

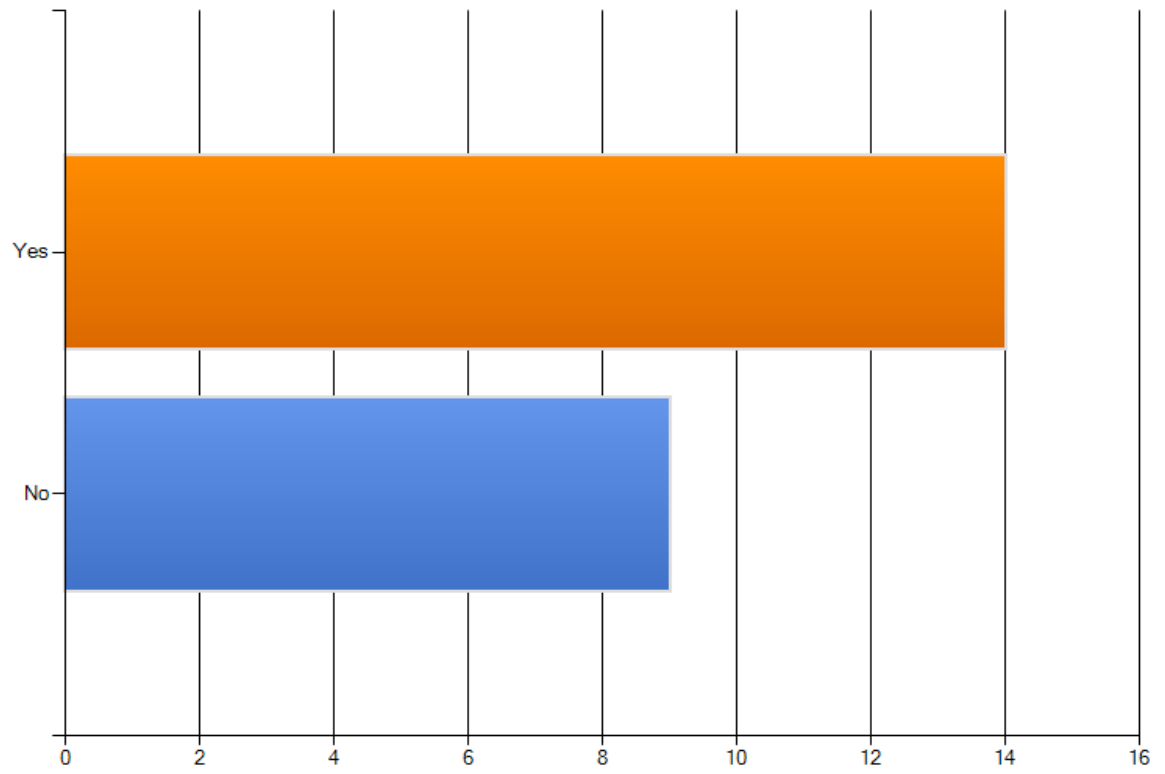

If yes, please check all that apply.

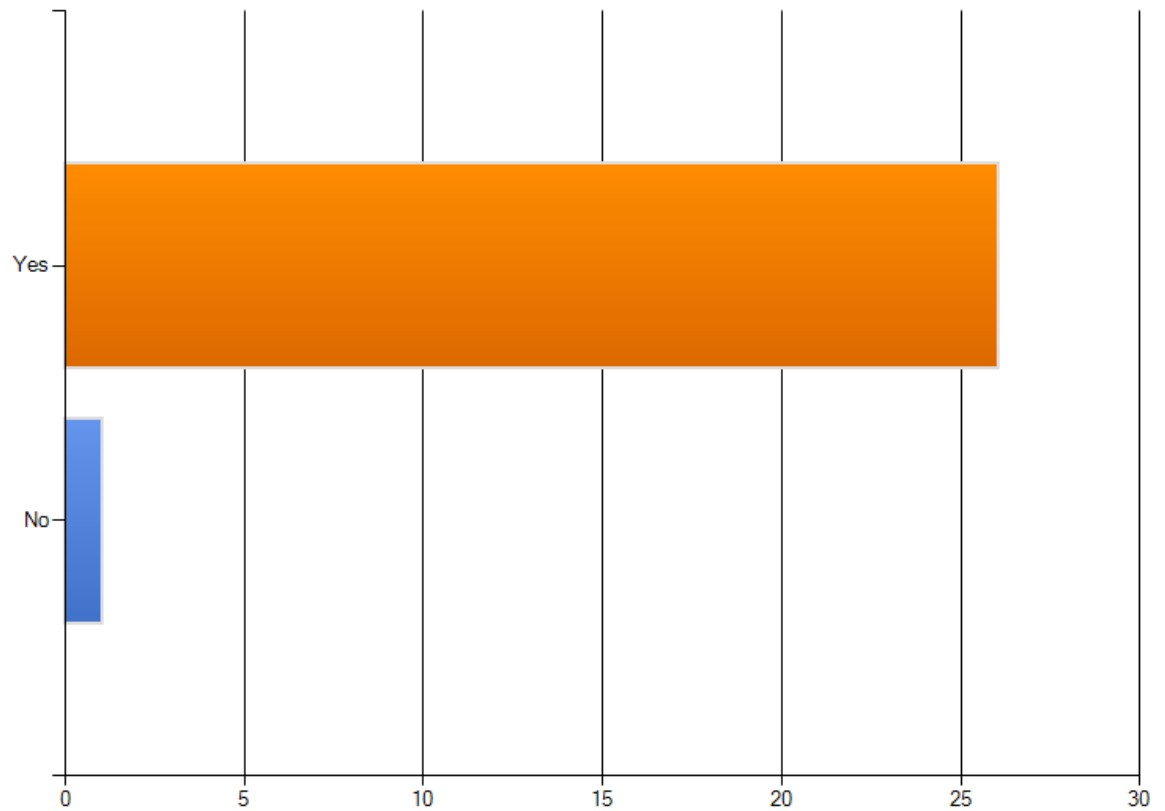

Have you received any matching funds to support your garden?

**Have any business or community partners become engaged in the garden?**

**Do you feel you have support from administration to continue your work in the garden?**
