

POLICY 1.095

5-F I recommend that the Board adopt the proposed new Policy 1.095, to be entitled "Independent Sales Surtax Oversight Committee."

[Contact: Joseph Moore, PX 48510, and Joe Sanches, PX 47573.]

Adoption

CONSENT ITEM

- By resolution dated July 26, 2004, the Board authorized the establishment of an independent oversight committee to oversee and verify the implementation of the plan for using the half-cent sales surtax to be imposed in Palm Beach County from January, 2005 through December, 2010.
- Consistent with Board Policy 1.09 and in line with the Policies for other advisory committees to the Board, this Policy constitutes the charter of the Independent Sales Surtax Oversight Committee and outlines the structure, function, and protocols of the Committee.
- The Independent Sales Surtax Oversight Committee reviewed the proposed Policy draft on February 2 and offered some suggestions, which have been incorporated in this document. On April 6, 2005, the committee again reviewed the draft and approved this proposal to go forward to the Board for first reading. Subsequent review added some minor clarifications: At line 40 added "as it relates to the proceeds of the sales surtax" after "and reviewing the implementation of the 2005-2009 five-year capital facilities plan." At line 57 added "as set forth in subsection (1)(a) above" after "consistency with the projects and purposes set forth in the Resolution." At lines 104-105 added "and assist with coordinating meetings, scheduling, and agendas" after "District staff may regularly make presentations and engage in discussions with the committee." At lines 111-12 added "the organization represented by a member may recommend at any time that its representative be changed" before "the term of each existing member shall be terminated upon dissolution of the committee at such earlier time as the date when all projects to be funded under the Plan have been completed and the expenditures of the sales surtax proceeds have been accounted for."
- At the Board's special Policy meeting on May 11, 2005, a Board member suggested an amendment to provide for Acts of God to allow changes, for good cause, to the project list in Exhibit A of the Resolution (see lines 58-74). On January 11, 2006, the ISSOC approved that addition to the proposed Policy. (Another suggestion by that Board member, regarding geographic representation in selecting committee members, was not accepted by ISSOC.)
- At the Board's special Policy meeting on February 22, 2006, the Board requested an amendment to lines 77 and 79 to require timely agendas and backup materials.

a. The establishment of the Independent Sales Surtax Oversight Committee (ISSOC) was authorized by a resolution of the School Board adopted July 26, 2004 ("the Resolution"), contingent upon the voters' approval of a half-cent sales surtax by referendum on November 2, 2004. As stated in Section 5 of the resolution:

Project Oversight by an Independent Committee. There is

hereby authorized the establishment of an independent oversight committee of volunteers (the "Committee") for the purpose of overseeing and approving the implementation of the Plan I for the use of the proceeds of the levy and collection of the surtax, and any interest accrued thereto, for capital outlay projects, upgrades to the newest technology and land acquisition, and which may also be used for the purpose of servicing bond indebtedness to finance the authorized capital outlay projects set forth in Exhibit A to the Resolution] commencing upon approval of the surtax and extending through the date of completion of the projects to be funded under the Plan. The Oversight Committee shall consist of nine volunteer citizen members who are residents of Palm Beach County. One representative each from these current standing committees: CORC, Finance, and TAG; one representative appointed by the Education Commission; one representative appointed by the League of Cities; one representative from the Black Community; one representative from the Hispanic Community; and two representatives appointed by the Business Forum. The role of the Committee in overseeing the implementation of the Plan shall constitute an integral part of

- a. Consistent with the section 5 of the Resolution and with Policy 1.09(1)(f), this charter shall remain in effect until all proceeds of the sales surtax revenues from the six-year period from January 2005 through December 2010 have been expended and accounted for, i.e., when the projects to be funded under the Plan in the Resolution have been completed.
- b. The School Board may modify the ISSOC charter as set forth in this Policy upon recommendation of the Superintendent. This Policy shall be evaluated on an annual basis for possible revisions, and any revisions shall be consistent with the Resolution and any amendments thereto.

3. Responsibilities and Mission

- a. The ISSOC will provide oversight of the District's usage and expenditures of the proceeds of the sales surtax to verify consistency with the projects and purposes set forth in the Resolution, as set forth in subsection (1)(a) above. The ISSOC acknowledges that changes to, deviations from, modifications to, or non-compliance in relation to, the projects in Exhibit A to the Resolution may occur due to Acts of God or the public enemy, hurricanes or other natural disasters or other emergency situations affecting the operation of the public school system; compliance with an order of any governmental authority having jurisdiction or with state court judgments concerning the School District's state constitutional or statutory obligation to provide a uniform system of free public education; orders, consent decrees, or compliance agreements involving federal courts or the Office for Civil Rights of the U.S. Department of Education or the Florida Department of Education; shortage or unavailability of materials, equipment, labor or technical personnel; breakdowns, epidemics, or pandemics; riots, civil disorder, warfare, or terrorism; strikes, slowdowns, walkouts, blockouts, or other industrial disturbances, whether direct or indirect; or any other events, circumstances, forces, or causes not within the reasonable control of the School District, whether or not of the same class or kind as those specifically named above.
- b. The ISSOC will hold meetings on a regular basis such as quarterly. To facilitate preparation for each meeting, the agenda and backup materials shall be available to committee members a week in advance of each regular meeting. If a special meeting is called, the agenda and backup materials shall be available upon calling and noticing the meeting, at least 48 hours in advance.
- c. The committee will report its observations, opinions, and advice in a high level executive summary to the School Board at the Board's regular monthly meetings. The reports should indicate whether a recommendation

is unanimous or what ratio of the voting membership supported a recommendation, along with summary of the basis for the majority and minority positions. The School Board continues to make all final decisions.

4. Membership Composition and Procedures

- a. Because of the special nature of this committee, any conflicting provisions of this Policy are intended to supersede and control over the provisions of Policy 1.09. The ISSOC membership shall consist of:
 - i. the nine (9) voting members as set forth in section 5 of the Resolution (quoted in section (1) of this Policy) and not more than four (4) additional voting members (one representative each from the Glades, the senior community, condominium residents, and the NAACP) totaling not more than thirteen (13) voting members, who: shall be residents of Palm Beach County; shall serve in a voluntary capacity; are not employed by the School District; and are ratified by the School Board upon recommendation of the Superintendent; and
 - ii. two (2) non-voting, ex-officio members to include a representative of the Principals' Association and a representative of the Classroom Teachers Association. (Additionally, though not members of the committee, appropriate District staff may regularly make presentations and engage in discussions with the committee and assist with coordinating meetings, scheduling, and agendas; and the Board's Chief Counsel or designee may attend solely to provide legal advice.)
- b. The terms of ex-officio members shall be consistent with their term of service in the position which qualified them to serve ex-officio on the ISSOC. The terms of the voting members shall be up to a maximum of up to eight continuous years, provided that the organization represented by a member may recommend at any time that its representative be changed, and provided that the term of each existing member shall be terminated upon dissolution of the committee at such earlier time as the date when all projects to be funded under the Plan have been completed and the expenditures of the sales surtax proceeds have been accounted for.
- c. Any voting member may be removed for missing three (3) consecutive regular meetings or more than 25% of the meetings during the previous twelve (12) months, unless by request of that member, the committee's Chair shall grant compassionate leave due to extenuating personal, business, or familial reasons. A quarterly report will be made to the Board regarding the attendance of voting ISSOC members. The School Board shall have discretion to remove any committee member at any time and to
