

### **POLICY 3.11**

**4-E** I recommend that the Board adopt the proposed revised Policy 3.11, entitled "Medical Examinations During District Employment."

[Contact: Dianne Howard, Director – Risk & Benefits Management, PX 48414.]

### Adoption

### **CONSENT ITEM**

- The Board approved development of this revised Policy at the development reading on September 30, 2009.
- This proposed revision sets for the circumstances under which employee
  medical examinations shall be required to continue employment. Those
  include: requirement by Federal or State law; required under employment
  contract; in connection with an on-the-job injury; a fitness for duty
  determination; and if routine job duty performance involves potential exposure
  to chemical hazards.
- Copies of all forms are attached for ease of reference.
- This revision also updates statutory references.

### **POLICY 3.11**

## PREEMPLOYMENT MEDICAL EXAMINATIONS DURING DISTRICT EMPLOYMENT

- 1. <u>Medical exams for employees to continue employment with the District shall be required under the following circumstances:</u>
- 5 a. <u>To the extent required by Federal or State law or other School Board policies, or</u>
- 5. If required by the employee's employment contract with the School Board; or
- 8 c. <u>As warranted at the request of the District or the Third Party Administrator</u> 9 and/or the District's insurance carrier in connection with an on-the-job injury; or
- d. At the District's request for a fitness for duty determination; or

1 2

- 11 If the employee, in the routine performance of his/her job duties, as e. 12 determined by the District, is potentially exposed to chemical hazards, asbestos or other physical hazards. This may include but not be limited to 13 persons in the following positions: Environmental Managers, Industrial 14 15 Hygienists, Environmental Specialists, Environmental Technicians, Painters, 16 Pesticide Operators and body shop workers. The medical exams within this 17 sub-paragraph (c) shall be completed within 90 days of employment and 18 annually, thereafter.
- f. For those employees that may be required to wear a respirator during their performance of duties, PBSD Form 1981 Section I shall be completed by the employees supervisor and be carried by the employee to the physician who will complete Section II as part of the environmental physical. Form PBSD 1594 will have been submitted at the pre-employment physical.
- g. Form PBSD 1980 will be submitted to the physician for the annual physical.
- 25 2. The District may require that an employee undergo a drug test under the conditions
   26 set forth in School Board Policies 3.96 or 3.961.
- 1. The preemployment medical examinations required in 3.10 shall be administered for the following purposes:
- a. To determine whether an applicant meets the physical requirements of the position for which the applicant has applied. If the results of the examination indicate that the applicant is not able to safely or fully perform the duties of the position and reasonable accommodations cannot be made, then the applicant shall be so advised. An applicant may reapply for a similar position, subject to

- another preemployment medical examination, when the applicant's condition improves to the extent that the applicant meets the physical requirements of the position or reasonable accommodations can be made. An applicant who is determined medically unsuitable to perform a particular position is not prohibited from applying for other positions for which the applicant may be qualified if the applicant meets the safety and performance requirements of the other positions.
- b. To determine whether an applicant is a user of drugs which are illegal and/or may affect performance.
- 2. For the purposes of this Policy, drugs shall mean "Controlled Substance" as defined in accordance with Chapter 893, Florida Statutes.
- 45 3. Initial positive drug results will require a confirmation test. If the confirmation test supports the initial positive findings, these findings will be reviewed with the applicant. The applicant will not be eligible for employment.
- 48 4. Applicants for employment who refuse to consent to a preemployment medical examination or who test positive for drugs shall not be medically released for employment for any position including those positions which do not require a preemployment medical examination.
- 52 5. Where an applicant tests positive for drugs, that applicant may reapply for any position not less than 90 calendar days from the date employment was denied, provided the applicant cooperates with the district's counseling and rehabilitation requirements which include:
- 56 a. Report to an approved referral agency for professional evaluation and counseling at the applicant's expense,
- 58 b. Provide satisfactory evidence, as determined by the Superintendent, that there 59 is no drug addiction or there has been full rehabilitation from addiction, and
- 60 c. Retest negative prior to employment.
- 6. Preemployment medical examination results are confidential and are not to be disclosed except to the extent required by law.

## **Respirator Medical Evaluation Questionnaire**

It is mandatory that you complete this form. Your employer must allow you to answer this questionnaire during normal working hours, or at a time and place that is convenient to you. To maintain your confidentiality, your employer or supervisor must not look at or review your answers, and your employer must tell you how to deliver or send this questionnaire to the health care professional who will review it. Answers to questions in Section 1, and to question 9 in Section 2 of Part A, do not require a medical examination. Type or print this form.

#### Part A. Section 1.

The following information must be provided by every employee who has been selected to use any type of respirator.
