

POLICY 5.011

4-A I recommend that the Board adopt the proposed revised Policy 5.011, entitled "Student Residence Enrollment Requirements."

[Contact: Kristin Garrison, PX 48935.]

Adoption

CONSENT ITEM

- The Board approved development of this revised Policy at the development reading on April 11, 2012.
- Changes requested at that meeting have been made and are as follows:
 - o Line 43 added "in a timely manner" after words "registration process."
 - Line 140 removed "sole"
 - Line 168 removed "solely"
 - Line 180 added "Reasonable suspicion shall not be based on actual or perceived race, color, religion, national origin, or immigration status."
 - Lines 203-204 added "[with a parent or legal guardian's name and residential street address]"
 - Line 211-212 struck "One of the following ORIGINAL documents with a parent or legal guardian's name and residential street address:"
 - Line 247 added "Parents will also be advised of the availability of translation and interpretation services to prepare for and attend the appeal meeting."
- The purpose of the policy is to facilitate student registration at the assigned school based on the primary residence, address overcrowding, and prohibit barriers to registration for families who lack certain documentation due to extenuating circumstances or hardship, as defined in the policy.
- The policy provides school assignments based on the primary residence of the student and a parent (if applicable). The policy does not apply to students with alternative approved assignments or to students experiencing homelessness or unaccompanied youth.
- The policy includes procedures when language barriers exist for the parents during the registration process.

- The proof of address requirements and documentation are revised to provide a process for enrolling the student and the District to follow if documentation is unavailable due to extenuating circumstances or hardship.
- The policy states the process and criteria for determining the appropriate school for children of divorced or separated parents and children living with persons acting as a parent. This includes a separate process for students enrolled in extra-curricular training academies. A form is required to be completed for persons acting as a parent.
- The policy allows for the District to investigate situations if a reasonable suspicion exists that a student is not residing primarily in the attendance zone for the school and the school's ability to request additional documentation as specified within the policy.
- An appeal process exists for situations where the school determines that the student does not reside within the school's boundaries.

POLICY 5.011

1 2 3

11

1. **Purpose**

4 The purpose of this Policy is to facilitate registration of students and ensure that 5 students register in the assigned school based upon their primary residence, 6 address overcrowding, and prohibit barriers to registration for families who may 7 lack certain documentation based upon their extenuating circumstances or 8 hardship.

2. 9 **Definitions**

- 10 Residence and/or address shall mean the home location where the student and a parent (if applicable) are primarily living. Residence does not refer to citizenship or a proof of residence that would require a permanent resident 12 card (green card) or any immigration documentation. Primary residence 13 and/or address means the home in which the student and a parent (if 14 15 applicable) lives most of the time.
- "Parent" is defined as either or both biological or adoptive parent(s) of the 16 b. 17 student, the student's legal guardian, a person in a parental relationship to the 18 student, or a person exercising supervisory authority over the student in place 19 of the parent, pursuant to Fla. Stat. § 1000.21(5).

20 3. **School Assignments**

- 21 School boundaries are based upon a student's address as defined above and a. as stated in School Board Policy 5.01. A student must attend the school in 22 23 his/her school attendance boundary unless otherwise formally approved for a 24 different school. Students may also choose to attend virtual school in accordance with Florida law. 25
- 26 Examples of times a student is formally approved to attend a different school b. 27 include acceptance to a choice program, NCLB transfer, McKay Scholarship transfer, IEP or EP placements, voluntary reassignments and involuntary 28 29 reassignments as authorized by law or another School Board policy.
- 30 The school selection, enrollment and placement of students experiencing C. homelessness and unaccompanied youth are governed by the McKinney-31 Vento Homeless Education Assistance Improvements Act of 2001 and School 32 33 Board Policy 5.74. Policy 5.74 shall be referred to when enrolling students 34 experiencing homelessness, unaccompanied youth and students awaiting 35 placement in foster care.

- d. Parents are required to immediately notify the school in writing of a student's change in address.
- e. Students who have provided a change of address to the school may apply for reassignment through the end of the trimester, quarter, semester or school vear and are subject to the conditions within School Board Policy 5.015.

41 4. Procedure for Language Barriers

42

43

44

45 46

47 48

69

- a. Schools must meet the language needs of parents at all relevant stages of the registration process in a timely manner to ensure meaningful access to their students' educational opportunities. For this purpose, schools will use: school based bilingual personnel; centralized translation and interpretation services in Spanish, Haitian Creole, Portuguese, Q'anjob'al, and Mam; and/or telephone interpretation services for lesser spoken languages. The registration process may not be delayed due to the need for translation.
- b. A student is considered to be an English language learner (ELL) as soon as the parent has checked "yes" to one or more questions on the home language survey. The registrar must give the registration form to the school's English for Speakers of Other Languages (ESOL) personnel. The school then has 20 days to administer the appropriate English language proficiency assessment to determine ESOL program eligibility.
- 55 c. <u>Under no circumstances may a student's enrollment be delayed due to a language barrier.</u>

57 5. **Proof of Address Requirements**

- 58 a. Consistent with Federal law, school personnel are strictly prohibited from requesting or requiring documentation of the immigration status of students and families.
- b. <u>Under no circumstances will students who are suspected of or experiencing</u>
 homelessness be delayed enrollment or withdrawn due to lack of appropriate
 enrollment documentation, including proof of address.
- c. Upon initial enrollment in a school, a student or parent must produce two current documents reflecting the correct residential street address. Post office boxes, private mail box addresses or commercial establishment addresses are insufficient. Examples of acceptable documents reflecting residential street addresses are as follows:
 - i. <u>home telephone or cellular telephone bill;</u>
- 70 ii. <u>electric bill;</u>

71			iii.	rent receipt with the name of the tenant and landlord and contact
72				information for all parties:
73			iv.	lease agreement with name of tenant and landlord and contact
74				information for all parties (valid only through the expiration date indicated
75				on the agreement. Upon expiration, parents must present a copy of the
76				renewed or new agreement to the school office.):
77			v.	mortgage:
78			vi.	home purchase contract including specific closing date, with copy of the
79			V1.	deed to be provided within 30 days of closing date;
80			vii.	State of Florida driver's license;
81			viii.	State of Florida identification card:
82			ix.	automobile insurance policy:
83			x.	credit card statement:
84			xi.	United States Postal Service confirmation of address change;
85			xii.	evidence of correspondence, including a stamped, addressed,
86			AII.	postmarked envelope delivered to the home address; or
87			xiii.	Declaration of Domicile form from the County Records Department.
88		d.	Pare	ents shall also complete a returning registration form (PBSD 0636)
89		۵.		ually. This form shall be verified under penalties of periury pursuant to Fla.
90				t. § 92.525.
91		e.	Whe	ere applicable, Affidavit of Person Acting as Parent and Affidavit of
92		•		idence forms must be submitted annually.
93	6.	Ext	<u>enua</u>	ting Circumstances or Hardship
94		a.	Sch	ool enrollment must not be denied to families who are and will be unable to
95		u.	_	vide two documents of proof of address due to extenuating or hardship
96				umstances.
97			ln s	uch cases where the family is unable to provide two documents of proof,
98				Affidavit of Residence Form (PBSD 1866) shall be completed by the
99			pare	<u> </u>
-				

Extenuating or hardship circumstances may include:

100

b.

101 102			i. <u>destruction or loss of records caused by fire, flood, hurricane, or other act of nature:</u>
103			ii. student or parent born outside the United States;
104			iii. students experiencing homelessness:
105 106			iv. <u>families in transition from one home to another and temporarily living with someone else as they search for a new residence; or</u>
107			v. <u>other good cause.</u>
108 109		C.	All extenuating or hardship circumstances shall be reviewed by the principal/designee and students shall be admitted to school immediately.
110 111 112 113		d.	Once the student is enrolled in the school, the principal/designee shall notify the Area Office. The Area Office shall refer the family to the Student Intervention Services Department, the Planning and Real Estate Department, or the Multicultural Department for appropriate follow up.
114		e.	The student shall remain in the school while the student's address is verified.
115 116 117		f.	Should the District determine the student's address does not fall within the school boundaries, notification will be provided to the parents, and the parent may appeal the determination as described below.
118	7.	Div	orced or Separated Parents
119 120 121 122 123		a.	In situations where the student's parents do not live together, the student shall attend the school in the attendance boundary where the student lives the majority of the time. If the student equally divides time between the parents, the parents or a court order shall indicate the residence to determine the student's school attendance boundary.
124 125 126 127 128 129		b.	Court orders may be referred to in an effort to determine where a child is living. However, a court order is not determinative of a student's actual residence. The School Board recognizes that parents may amicably make alternative living arrangements for their children that do not comply with a court order. Under no circumstances may a school require parents to obtain a court order reflecting accurate living arrangements.
130		C.	<u>Under no circumstances will the School District enroll a student in more than</u>

one school or serve as a mediator to the parents.

132 8. **Person Acting as Parent**

131

- a. Where a student is not living with a biological or adoptive parent, a person acting as parent must complete PBSD Form 1543 (Person Acting as Parent Form).
- b. The student must actually live the majority of the time with the person acting as parent to be assigned to the school within the attendance boundary of this individual's residence.
- 139 c. This provision is not intended to permit students to live with a friend or family
 140 member for the sole purpose of securing enrollment at a particular school.
 141 Rather, this provision recognizes that extenuating circumstances may arise
 142 whereby a parent is unable to have their child remain in the home.
 143 Accordingly, a parent or person acting as parent has the burden of
 144 demonstrating the extenuating circumstances.
- d. <u>In situations where a natural parent or guardian is unavailable to provide a</u>
 written notarized statement as required by PBSD Form 1543, the requirement
 for such statement must be waived. Examples include parents who have
 abandoned their child, are incarcerated, or are living in a foreign country.
- e. Should the principal/designee disagree with the stated extenuating circumstance, the parent shall be referred to the Area Superintendent to make a final determination.

9. Enrollment, School Selection and Assignment of Students in Extra-Curricular Training Academies

- a. The enrollment, school selection, and assignment of students residing in an extra-curricular training academy and not otherwise governed by Fla. Stat. § 1003.57(2) (a), shall be assigned to a school based upon the student's primary address or via an administrative reassignment as set forth in Policy 5.015.
- b. <u>Upon enrollment, the parent as well as the person acting as parent shall complete Form 2416 (Person Acting as Parent Extra-Curricular Training Academy Form).</u>
- 161 c. <u>The extra-curricular training academy shall be responsible for providing all</u> student transportation.
- d. <u>Eligibility of students residing at an extra-curricular training academy to participate in athletics at the assigned school shall be subject to clearance by the Florida High School Athletic Association.</u>

166 10. <u>Invalid Information</u>

167

a. Obtaining a temporary address within a particular school attendance boundary

- solely for the purpose of attending such school shall not be considered valid residency, unless the student actually resides at that address for the majority of the time.
- b. The School District maintains an "Anonymous Address Fraud Tip Line" (561-434-TIPS) to permit the anonymous reporting of families living outside of the attendance zone. All tips will be investigated and parents may be asked to produce the additional documents listed below.
- 175 c. The School District may investigate situations where there is a reasonable suspicion that the student is not residing within the attendance zone. Such a reasonable suspicion may be prompted by returned mail, unique feeder pattern based upon previous school attendance or sibling school attendance, search of property appraiser records, or other information. Reasonable suspicion shall not be based on actual or perceived race, color, religion, national origin, or immigration status.

11. Incorrect School Boundaries

182

183

184 185

186 187

197

203

- a. If it is determined that an enrolled student does not live within the school's attendance boundaries, the principal/designee shall notify the parent in writing in the language spoken by the parent of the determination. This letter shall include information on what school the child may enroll at, the withdrawal date, and notification regarding an appeal.
- b. In determining the withdrawal date, the principal/designee shall consider the academic calendar and make such transfers only at the beginning of a semester, trimester or quarter. However, where a student initially enrolls at the incorrect school, the principal/designee may act within 30 calendar days of the initial enrollment in the school or at the end of the grading period (whichever is sooner) to withdraw the student in accordance with this policy.
- 194 c. Nothing within this policy is intended to prevent a parent from withdrawing
 195 from the incorrect school and enrolling at the correct school at any time during
 196 the school year.

12. Additional Documentation

- a. <u>If the parent disagrees with an initial determination made by the principal/designee that their student does not live within the school's attendance boundaries, the parent must provide the school with the following additional documents within 10 calendar days to prove their address:</u>
- i. An Affidavit of Residence (PBSD Form 1866); and
 - ii. One of the following ORIGINAL documents [with a parent or legal

204			guardian's name and residential street address]:
205 206			A. <u>current Florida State Driver's License (if copied by school, license number shall be blacked out); or</u>
207			B. <u>current Florida ID Card; or</u>
208 209			C. <u>current or expired Passport (passport will not be copied) or consulate issued photo ID; or</u>
210			D. other valid photo ID, if none of the aforementioned is available.

224 225 226 227			F. <u>current residential rental or lease agreement with parent or lega guardian's name and address as well as the manager or owner's name and telephone number and record of last 2 payments (cancelled checks); or</u>
228			G. <u>current homeowners/renters insurance policy; or</u>
229			H. <u>current Declaration of Domicile (notarized and recorded); or</u>
230 231			I. copies of current rent receipts or carbon copies of money orders made out to the landlord.
232 233	b.		principal/designee shall review the additional documentation within one and notify the parent of whether the documentation provided was

- 234 <u>acceptable to determine that the student was properly enrolled.</u>
- 235 c. If the principal/designee determines that the student is attending the incorrect school, this must be shared in writing with the parent. At this time, all appeal information must be shared in the language spoken by the parent. Schools shall contact the Department of Multicultural Education for an interpreter if needed. The Department of Multicultural Education shall also assist parents who are unable to complete the written appeal due to a language barrier.
- d. <u>During this time period, the student shall remain at the current school.</u>

- 246 c. Parents shall be provided with written notification of the time, date, and location of the appeal meeting. "Parents will also be advised of the availability of translation and interpretation services to prepare for and attend the appeal meeting."This notification shall outline the following procedures:
 - i. The parent or representative shall be provided with 10 minutes to present the basis of their appeal, their argument, and any additional information.

 Additional time may be given at the discretion of the Superintendent's designee.
 - ii. At the conclusion of the presentation, District staff will have the opportunity to ask questions and receive answers.

The notification shall be sent to the parent or guardian in the language they speak.
 - v. The decision of the Superintendent's designee shall be binding.

14. Emancipated Students

Emancipated students as defined in School Board Policy 5.072 shall be 267 a. 268 offered the same rights listed above for parent or legal guardian. Emancipated minors are not required to live in a residence with an adult 269 b. 270 authority as a condition of admission to school. 271 15. **Forms** All PBSD forms referenced within this policy are incorporated herein by 272 a. 273 reference as part of this policy and may be found on the School District's 274 forms website. 275 b. The School District shall provide notary services at no cost to parents for all required forms if needed. No parent shall be required to pay the School 276 277 District for notary services as a condition of school enrollment. 278 16. **Training** 279 Employees responsible for implementing this policy shall complete training for compliance with the content and processes within this policy. 280 281 The School Board strongly encourages all schools to facilitate enrollment of all Palm Beach County 282 students and not to create barriers to enrollment. Additional requirements within the policy are aimed 283 to address boundary jumpers. 284 1. Proof of Residence Requirements for Initial and Continuing Enrollment 285 a. Absent an approved alternative method of assignment or reassignment, students must 286 attend the school in the school attendance boundary where the student/parent(s)/legal 287 guardian resides as set forth in School Board Policy 5.01. This policy shall be construed 288 consistently with H.B. 7197 (2011) relating to residency requirements concerning Virtual 289 Instruction. 290 b. For those students whose school assignment is based upon their residence, upon initial 291 enrollment in a school, except as stated below in Sections 1(c) 4 or 5 of this Policy, proof 292 of residence is necessary in order to ensure that a student is enrolled in the appropriate 293 school attendance boundary or assigned school. Two proofs of residence reflecting the 294 correct address are required to register a student. Examples of acceptable proof are 295 listed below and all sources of evidence must match: 296 current telephone or electric bill, with billing address indicated: 297 rent receipt with the name of tenant and landlord and contact information for all 298 parties; 299 lease agreement with name of tenant and landlord and contact information for all

parties:

mortgage;

300

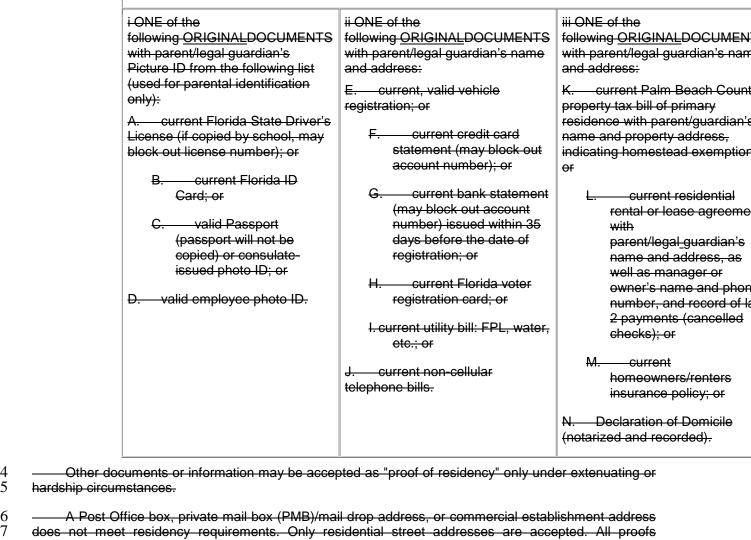

301

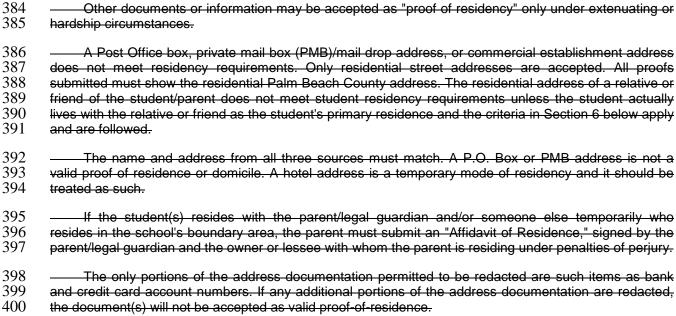

302 303	 v. home purchase contract including specified closing date, with copy of deed to be provided within 30 days of closing date;
304	vi. automobile insurance policy;
305	vii. current Florida Driver's License/Florida Identification Card;
306	viii. credit card statement;
307	ix. United States Postal Service confirmation of address change request or evidence
308	of correspondence;
309	x. Declaration of Domicile form from the County Records Department.
310 311 312	c. Due to unique or hardship circumstances, if a parent/student does not have the required documentation and cannot produce them, the principal/designee may admit the student temporarily pending the verification of the student's residence.
313 314 315 316	d. A school may determine that presentation of the required documents is not sufficient for enrollment if the Principal/designee has reasonable suspicion of inaccurate information as to the residence of the student, the status of a person acting as a parent of that student, or other relevant factors.
317 318 319 320	e. Parents on behalf of all new and returning students also shall <u>annually</u> complete a "New and Returning Student Registration Form" (<u>PBSD 0636</u>), which is incorporated herein by reference. The form shall be verified under penalties of perjury pursuant to Fla. Stat. § 92.525. A PDF version of the form is available on the District's website.
321 322	f. At any time that a student's address changes, it is the parent's responsibility to immediately notify the School District in writing.
323 324 325	g. Residential lease agreements are valid only through the expiration date indicated on the agreement. Upon expiration of a residential lease agreement, parents must present a copy of the renewed or new agreement to the school office.
326 327 328	h. Parents are expected to obtain and provide to the school all of the required documentation before enrolling a child in school. In cases of students experiencing homelessness or those in foster care, however, please refer to Sections 4 and 5 below.
329 330 331 332 333 334 335 336	i. Students who are not emancipated, as defined within School Board Policy <u>5.072</u> , shall be assigned to the school based on the primary residence address at which their parent(s) reside(s) unless a completed and verified <u>PBSD form 1543</u> , or <u>PBSD form 2416</u> showing that the student resides with a person acting as a parent, as defined by FL. Stat. § 1000.21(5). The student must actually reside with the Person Acting as Parent as the student's primary residence (see section 6(b) below), and the student has the burden to show that the residency is not incident to his/her eligibility to enroll in a particular school attendance boundary.
337 338 339 340 341 342	j. Circumstances may exist where the student's parents reside in different school attendance boundaries. The home of the parent in which the student resides for the major part of the time is the home that determines the student's school attendance boundary. If the parent(s) states that the student divides his/her time equally between the parents, the parent(s) or court order shall indicate the residence to determine the student's school attendance boundary. Absent agreement or court order, the

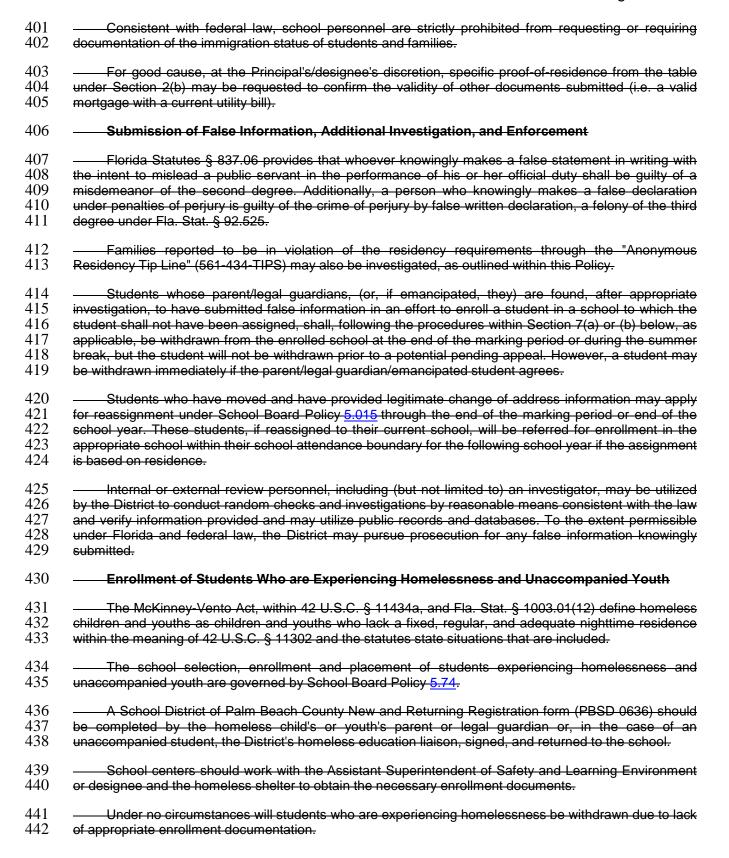

343 Superintendent/designee will determine the residence for school attendance based upon 344 School Board policies and the best interest of the child. 345 k. Consistent with federal law, school personnel are strictly prohibited from 346 requesting/requiring documentation of the immigration status of students and families. 347 2. Additional Proof May be Required 348 For good cause, such as but not limited to cases where the Principal/designee believes 349 that a student's enrollment information is inaccurate due to returned mail or reasonable 350 suspicion that the student is not residing at the claimed address, the following procedures 351 may be implemented at the discretion of the Superintendent/Principal or the 352 Superintendent's/Principal's designee (based on sufficient resources): 353 The Property Appraiser's website (PAPA) may be examined to determine the 354 parent's homestead (primary residence) location. The homestead address of the 355 parent or legal guardian will be used as a factor to determine the student's 356 assigned school. A conflicting address indicates that further investigation is 357 required. 358 A call may be made or a letter may be sent to the parent(s)/legal guardian(s) who 359 have conflicting address information, requesting that the parent(s)/legal 360 guardian(s) update enrollment information. 361 The Superintendent/Principal or the Superintendent's/Principal's designee may 362 also require submission of an "Affidavit of Residence" accompanied by the 363 "Additional Proof-of-Residence Requirements", outlined below. The Affidavit of 364 Residence form (PBSD 1866) is incorporated herein by reference, and is 365 available on the District's web site, and shall be verified under penalties of perjury 366 pursuant to Fla. Stat. § 92.525. 367 If the Principal/designee has reasonable suspicion that the information contained 368 in the Affidavit is no longer accurate, the Principal/designee may request the 369 parent(s)/legal guardian to submit a new Affidavit. The Principal/designee may 370 ask that the Affidavit be verified at any time during the school year it is in effect. 371 The above activities may be conducted by the school center to the extent allowed 372 by existing resources. In cases of limited resources, the Principal/designee may 373 request assistance from the central office by contacting the Superintendent's 374 designee. 375 b. Additional Proof-of-Residence Requirements .-- When requested (and in addition to the 376 two proofs of domicile reflecting correct residential address under Section (1)(b) above), 377 the parent/legal guardian/emancipated student shall have 10 calendar days to provide 378 sufficient documentation to the Principal/designee to validate primary residence of the 379 student as outlined within this Policy in Section 7(b) below and must present a signed 380 Affidavit of Residence (PBSD 1866) as well as one current document from each of the 381 three columns in the table below (ORIGINAL documentation is required and copies are 382 not accepted; District staff will make copies of all originals, except passports) to satisfy 383 the proof-of-residence requirements:

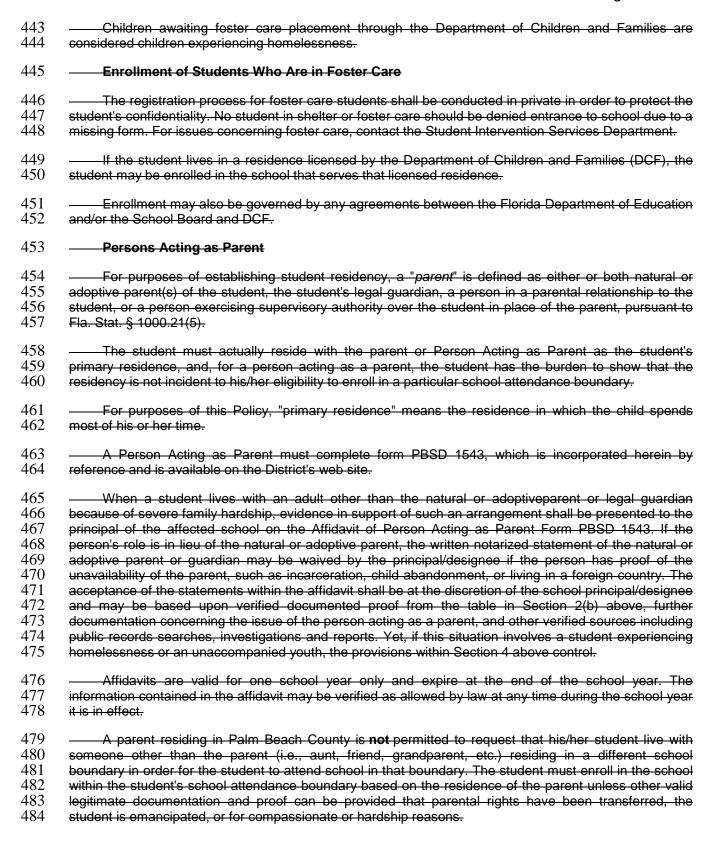

(when required, a document from each column must be presented along with a signed Affidavit of Residence, PBSD 1866)

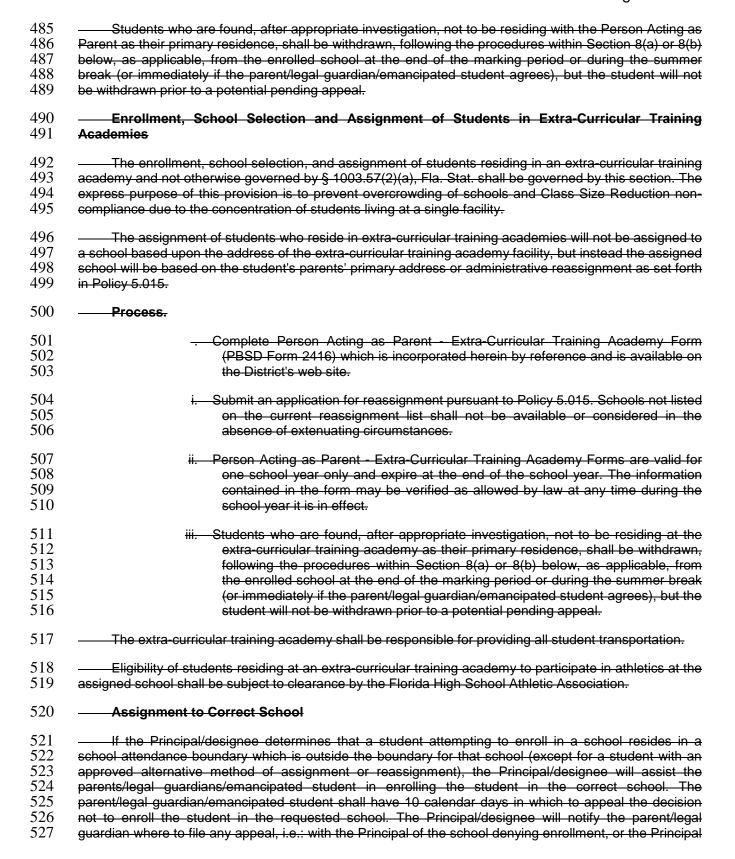

If applicable, "Person Acting as a Parent" form, PBSD 1543, and proof relating to that issue may also be required.

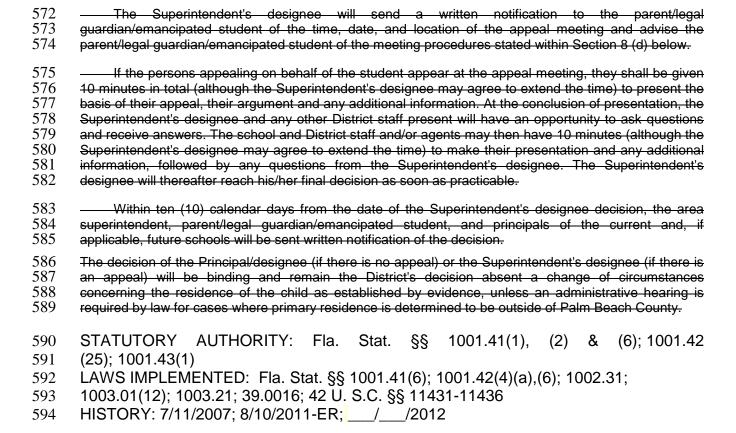

528 of the school for the parents' primary residence (as determined by the homestead location or other 529 factors), or the Superintendent's designee. 530 When the student is already enrolled in the school and it is determined that there is a discrepancy in 531 address documentation on file (via returned mail, anonymous tips that have been researched, random 532 checks, investigation, or discrepancies in public records such as the Property Appraiser's Records and/or 533 Voter Registration records, or by other reasonable means), at the discretion of the 534 Superintendent/Principal or the Superintendent's/Principal's designee (based on sufficient resources), the 535 parent/legal guardian shall be required to provide sufficient documentation within 10 calendar days to the 536 Principal/designee to validate primary residence of the student, as outlined within Section 2(b) of this 537 Policy, including if the person is acting as a parent. The Principal/designee may extend the time upon 538 request based on good cause. 539 If, after the parent's/legal guardian's/emancipated student's 10-day opportunity to 540 provide further information, the school Principal/designee determines that 541 insufficient documentation exists to prove that the student resides within the 542 school attendance boundary or that the person is acting as a parent, the 543 Principal/designee will so notify the parent/legal guardian/emancipated 544 student/person acting as a parent and provide information on the right to appeal 545 and the types of documentation required (included herein). 546 i. If, after additional documentation and an appeal, if filed, pursuant to Section 8 547 below, the student enrollment is determined to be improper, the student will be 548 withdrawn and reassigned to the appropriate school at the end of the marking 549 period, during the summer break, or sooner if the parent/legal 550 guardian/emancipated student agrees. 551 ii. If no appeal is filed, the student will be withdrawn at the end of the marking period. 552 iii. However, during the appeal process set forth below, the student: a) if already 553 enrolled, will remain in his or her current school, or b) if denied enrollment in the 554 requested school, will be registered to attend the school the District determined is 555 the appropriate school. 556 **Appeal** 557 If the parent/legal guardian/emancipated student believes that the Principal/designee's 558 determination has been made in error, the parent/legal guardian/emancipated student shall have 10 559 calendar days from the date on the letter notifying them of their child's withdrawal from the current school 560 to file an appeal. The appeal shall be filed in writing with any relevant additional documentation to the 561 Principal/designee or the Superintendent's designee and date stamped received. 562 After a written request for an appeal is received from a parent/legal guardian/emancipated student, 563 the Superintendent's designee will review the enrollment documentation provided on behalf of the student 564 as well as information provided by the school and District and may seek other information through further 565 investigation. Historical and current documentation from all of the columns in the table within Section 2(b) 566 above must be provided by the parent/legal guardian/emancipated student.
