### Development

### CONSENT ITEM

- This policy codifies the Board’s obligation to submit to Florida Department of Education (FDOE), every three years, its “Exceptional Student Education Policies and Procedures” (SP&P).

- The SP&P document, attached and incorporated into the policy, has been recently amended by the FDOE, to incorporate revisions to some of the State Board of Education Rules and Florida Statutes.

- This is a summary of the revisions to the SP&P 2013-2014 through 2015-2016. There are four (4) sections to the document that have been revised pursuant to the directive of the FDOE. Below are the sections and page numbers of the SP&P document that have been modified:

- General Policies and Procedures (Page 21-22) *Section B Assurances*

- Information to be provided at initial meeting of a student’s IEP team regarding the amount district receives from the state appropriation.
- Parents and school district personnel attending meetings shall sign a document stating whether district personnel attempted to discourage parents from inviting person of their choice to meeting.
- Collaboration of Public and Private Personnel – the student’s public instructional personnel and principal consent to the time and place.
- The private instructional personnel satisfy the requirements of Fla. Stat. § 1012.32 or 1012.321.
- The provision of private instructional personnel by a parent does not constitute a waiver of the student’s or parent’s right to a free and appropriate public education under IDEA.

- Part 1 General Policies and Procedures (Page 33) *Section C.1 Exceptional Student Education Procedural Safeguards*

- Assurance of notice of Procedural Safeguards will be given upon school district superintendent’s recommendation of extraordinary exemption from state assessment.

- Part II Policies and Procedures for Students with Disabilities (Page 103)  
*Section C Individual Educational Plan*

Separate parental consent for the following actions:

- Administration of alternate assessment and instruction in state standards access points curriculum.
- Placement of a student in an ESE center school.
- Change in students IEP related to alternate assessment, access points or ESE center school placement
- Least restrictive environment and placement determinations

- Part II Policies and Procedures for students with Disabilities (Page 117)  
*Section E Participation in State and District Assessments*

- Extraordinary exemption for students with disabilities
- Based upon the documentation provided by the IEP team, the school district superintendent shall recommend to the Commissioner of Education whether an extraordinary exemption for a given assessment administration window should be granted or denied.

- The SP&P reflects the revisions required by the FDOE and were recently approved by FDOE.
