[Contact: Scott Kay, PX 48337; Celia Elrod, PX 48444.]

#### **Emergency Adoption**

#### **CONSENT ITEM**

- Effective July 1, 2006 (pursuant to amendments codified at § 13 of Ch. 2006-301, Laws of Florida), a new paragraph (g) has been added to Fla. Stat. § 1001.43(2) to provide that school boards may adopt policies governing "use of federal funds to purchase food when federal program guidelines permit such use."
- The NCLB / Federal Grants department requested development of this Policy to implement the recent statutory amendment and permit use of Title I funds for food and refreshments for Title I parent-involvement trainings and meetings. Such expenditures are permitted by certain federal guidelines such as the *Parental Involvement: Title I, Part A Non-Regulatory Guidance* (2004) and the *Title I, Part C, Education of Migratory Children: Draft Non-Regulatory Guidance* (2003).
- This recommendation for adoption of an emergency rule is being made because the Policy should be adopted as close as possible to the beginning of the school year, and events dependant upon the Policy will occur before the regular adoption may be completed.
- Regular development is also being recommended simultaneously, and that process is likely to be completed by October or November, before the emergency rule would expire on December 12, 2006.
