For clarity, the motion should be put to a vote.

The Audit Manual shall be filed with the Clerk of the School Board as a part of this Policy and shall be available for inspection in the Public Information office. If any part of the Audit Manual may be deemed to conflict with this body of the Policy, the provisions within this body of the Policy shall control.

b. The District Auditor, in collaboration with the Superintendent, may initiate and conduct any emergency audits or reviews not listed in the audit plan, if deemed necessary, in view of potential illegal acts, fraud, abuse, or misuse of District funds. Evidence of such irregularities shall be referred to the School Police and the School Board's Office of Chief Counsel for further investigation.

c. Except for audits intended to be unannounced, reasonable notice should be given to appropriate personnel of an intent to audit in their area.

However, the Auditor shall not provide any preliminary reports to the School Board or individual Board members until the final draft of the report is distributed (absent a Board vote requesting receipt of a preliminary/draft report before the final draft of the report).
