### POLICY 2.04

**4-C** I recommend the Board adopt the proposed revisions to Policy 2.04, entitled "Public Information."

[Contact: Nat Harrington, 434-8228.]

#### Adoption

- This revision updates and clarifies responsibilities and procedures of schools and departments for dissemination of information about the District to the public, including the press; noticing public meetings; responding to media inquiries; initiating media contact; handling serious incidents; and campus visits.
- On Sept. 9, the Board approved the proposed revisions for adoption on October 14.

### CONSENT ITEM

## PROPOSED REVISED POLICY 2.04

### **PUBLIC INFORMATION**

1 The Board is committed to a policy of public information which is based on the 1. 2 conviction belief that the public schools of the dDistrict belong in every sense to the 3 people who created them by consent and who support them by taxation. 4 TConsistent with legal requirements, the Board will make every effort to enhance 5 public knowledge and understanding of, and encourage public participation in, the 6 dDistrict's goals and programs. The Board, therefore, establishesmaintains this 7 public information policy, which will be carried out through the efforts of the Board, 8 the Superintendent and the Office of Public Affairs, to:

- 10a.keep the citizens of the dDistrict regularly and thoroughly informed through11allreasonablyavailable channels of communication on the policies, programs,12problems and planning programs, needs, and objectives of public education of13in the sSchool dDistrict in accordance with Fla. Stat. § 230.23(15). This policy14will be carried out through the efforts of the Board, the Superintendent and the15information office; and
- 17b.invite and foster the advice and counsel of the people within the sSchool18dDistrict at all reasonable times and especially. as provided in Policy 1.03, at19public hearings and all regular, special, and workshop meetings of the Board;20which are open to the public under Florida's Sunshine Law.

48			on public records requests, the school principal has primary responsibility for		
49			responding to inquiries from news media on behalf of a school center and for		
50			encouraging media coverage of newsworthy events at the school center. The		
51			District's Office of Public Affairs is a resource to be used as needed in this		
52			area.		
53					
54		<u>b.</u>	District Administration As to public information, District administrators have		
55			the same responsibility for their areas of supervision as principals have for		
56			schools. At the beginning of each school year, each administrator should		
57			provide direction to staff members about how they should handle media		
58			inquiries pursuant to the provisions in this Policy.		
59					
60	<u>5.</u>	Initi	iating Media Coverage Schools may initiate requests for media coverage of

71 Principals .-- Principals should report (by TAO, e-mail, fax, or telephone) all a. 72 media contacts to the Office of Public Affairs and the appropriate area 73 superintendent. The Office of Public Affairs will make such information 74 available to the Superintendent's Office. 75 76 District Administrators.-- District administrators should report (by TAO, eb. 77 mail, fax, or telephone) all media contacts to the Office of Public Affairs, and 78 either the Chief Academic Officer or Chief Operating Officer. The Office of 79 Public Affairs will inform the Superintendent's Office. 80 81 7. **Reporting Serious Incidents.**-- In the event of a serious incident which might 82 cause inquiries at the District level (for example, student disruption serious assault 83 on a student or staff member, bus accident, or fire at a school facility), an 84 administrator should immediately inform the Superintendent's Office, the Chief 85 Public Information Officer/designee, and the appropriate Area Administrator or 86 Chief Academic Officer or Chief Operating Officer. If necessary, the administrator 87 may contact one of these offices and ask that the contacted office pass the 88 message to the other two. 89 90 Requesting Assistance from the Public Affairs Office.-- As a general rule, 8. 91 administrators should deal directly with news media inquiries, subject to Policy 92 2.041, about items within the administrator's area of responsibility. However, if 93 news reporters come to a school to cover a situation and the principal needs 94 assistance with the media while resolving the situation, the principal should request 95 assistance from the Office of Public Affairs, so that the Chief Public Information 96 Officer/designee can arrange to come to the school to assist the principal. 97 98 Campus Visits .-- To help protect the safety of students, the principal and staff <u>9.</u> 99 must know who is visiting the campus and the purpose of the visit. Any person 100 seeking to visit a school campus, including news media representatives, shall be 101 required to request permission from the principal by telephone or in person and 102 shall report to the main office upon arriving on campus, prior to any contact with 103 students, staff, or volunteers. 104 105 a. The principal may exercise reasonable discretion to grant or deny permission 106 to visitors to enter the school or property or to remain on the grounds, 107 pursuant to the authority vested in principals to supervise the operation and
