**Development**

**CONSENT ITEM**

- This revision simply clarifies the current Policy language defining when a provision of a collective bargaining agreement will prevail over a conflicting provision in a School Board Policy, although the Policies are otherwise applicable to all employees.

3 **POLICY FOR BARGAINING UNIT EMPLOYEES**

4  
5  
6 Board policies apply to all District employees and personnel, including those  
7 personnel subject to negotiated bargaining agreements. When a provision of a  
8 Board Policy conflicts with a provision of a ratified bargaining agreement, the  
9 specific provision of the ~~N~~egotiated contracts takes precedence as Board policy  
10 for employees in that particular certified bargaining units. The current present  
11 contracts bargaining agreements must be referenced to determine whether a  
12 conflict exists with otherwise-applicable Board Policy for appropriate policy.
