**5-D** I recommend the Board approve the proposed new Policy 5.1818, to be entitled "Student Early Reinstatement."

[Contact: Corey Smith, Esq., 434-8500.]

**Development**

**CONSENT ITEM**

- This new Policy will codify standards for the limited opportunity for early reinstatement of students that have been expelled, pursuant to Fla. Stat. § 1001.43(1)(e).

POLICY 5.1818

STUDENT EARLY REINSTATEMENT

1  
2  
3  
4  
5 1. Purpose.-- It is the intent of the School Board that students serve the full term of  
6 their expulsions, while recognizing the necessity for limited exceptions where early  
7 reinstatement would be appropriate. It is not the intent that the following process be  
8 utilized in such a way as to circumvent the expulsion process. This policy sets forth  
9 standards for a limited opportunity for students that have been expelled to request  
10 early reinstatement.

11  
12 2. General Provisions.--

13  
14 a. Any expelled student may apply for early reinstatement only one time during  
15 the period of expulsion. If the application is rejected, the student must serve  
16 the remainder of the expulsion period.

17  
18 b. Early reinstatement requests will only be considered two times a year, one at  
19 the beginning of the school year in August and one at the beginning of the  
20 second semester in January. An exception from this schedule may be made  
21 for students who were expelled either during the first month of school, or  
22 during the first month of the second semester. For example, when a student is  
23 expelled in September for an incident that occurred in August, that student's  
24 expulsion may generally continue until the following September.  
25 Consideration of early reinstatement before August would be appropriate so  
26 as to allow the student to return to the regular program in August instead  
27 missing the first month of school by starting in September.

28  
29 c. All requests for early reinstatement must be submitted in writing, either typed  
30 or printed from a computer, to the Chief Academic Officer for the School  
31 District.

32  
33 d. It is the responsibility of the student complete the criteria for early  
34 reinstatement, and the student/parent must document the criteria and submit a  
35 completed packet for review, with all documentation of completed  
36 reinstatement criteria provided as required. Incomplete packets will not be  
37 eligible for review.

38  
39 e. Early reinstatement approval/rejection is within the complete and sole  
40 discretion of the School Board. Approval for a recommendation of early  
41 reinstatement to the School Board is within the sole discretion of the Chief  
42 Academic Officer.  
43

44 3. **Criteria.**-- All requests for early reinstatement must meet the following criteria. The  
45 Chief Academic Officer cannot advise the Superintendent to recommend that the  
46 School Board consider a student's request for early reinstatement unless all of the  
47 following criteria have been met:

48  
49 a. The student must have served at least three-fourths (75%) of the expulsion  
50 term designated in the final order.

51  
52 b. The student has demonstrated successful rehabilitation, with all of the  
53 following as evidence:

54  
55 i. *Conduct.*-- The student must not have had any disciplinary incidents since  
56 the time of the incident leading to expulsion.

57  
58 ii. *Restitution.*-- The student must provide documented evidence that any  
59 restitution owed to either the School Board or any victim(s) has been  
60 made or waived by the party to whom it is owed.

61  
62 iii. *Treatment Program.*-- If the student was expelled for violent conduct,  
63 anger management must have been completed. If the student was  
64 expelled for violations involving controlled substances, a rehabilitative  
65 program shall have been completed.

66  
67 iv. *Community Service.*-- The student must have met a community service  
68 requirement, consisting of 10 hours for elementary students and 25 hours  
69 for middle- and high-school students.

70  
71 v. *Exemplary Attendance.*-- If the student chose to continue receiving  
72 educational services through an alternative education contractor of the  
73 School District during expulsion, the student must have accrued an  
74 exemplary attendance record (i.e. no more than three (3) absences in a  
75 semester). If the student attended private school, then the private school  
76 attendance records must reflect exemplary attendance.

77  
78 vi. *Good Grades.*-- The student shall have achieved and maintained a  
79 minimum of a 2.5 grade point average during the period of expulsion.

80  
81 vii. *Personal Statement.*-- The student must have submitted a personal  
82 statement regarding the violation leading to the expulsion and the  
83 reasons why the student believes early reinstatement should be granted.  
84 An apology to any victim(s) must be included in the statement. For  
85 middle and high-school students, the statement shall be at least two  
86 double-spaced typewritten pages. For elementary school students, the  
87 statement shall be at least one double-spaced typewritten page.
