RED RIBBON WEEK-STUDENT CONTEST WINNERS

Drug and alcohol use continue to be a threat to the health and welfare of our youth. Each year, Red Ribbon Week provides the School District with an opportunity to renew our commitment to a healthy and drug-free lifestyle for our students, and to show our dedication to education and prevention efforts in our schools and communities. The Prevention Center in the Department of Safe Schools hosts a number of contests and activities during Red Ribbon Week. We honor our student Red Ribbon Week contest winners.
