THE SCHOOL DISTRICT OF PALM BEACH COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE NINE MONTHS ENDED MARCH 31, 2005

- (1) **Basis of Accounting.** The modified accrual basis of accounting is utilized by all funds except for the proprietary fund. Under the modified accrual basis, revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable, except for unmatured interest on general long-term debt, which is recognized when the interest is due.
- (2) **Revenue Recognition.** The School District budgets 95% of the property taxes levied, as allowed by state statute, as revenue in all applicable funds. Therefore, 95% of the taxes levied is accrued as revenue in the interim financial statements. Other significant accruals included in the interim financial statements are the Florida Education Finance Program revenues, certain state categorical program revenues and the Food Service National School breakfast/lunch revenues. These revenues are considered “available” because they will be received by the District before the end of the fiscal year.
- (3) **Budgetary Accounting.** The interim financial statements are presented utilizing the budgetary basis of accounting for all of the Governmental funds. Therefore, expenditures include materials, supplies and services from vendors which have been encumbered and encumbered salaries and benefits. If encumbrances were not included in expenditures, then the excess (deficiency) of revenues and other financing sources over (under) expenditures and other financing uses would be as follows:
- Excess (deficiency) of revenues and other financing sources
over (under) expenditures and other financing uses \$ (439,374,924.92) **
- | | | |
|------------------------|-----------------------|-----------------------|
| PLUS: | <u>ENCUMBRANCES</u> | |
| General Fund | \$ 315,012,274.07 | |
| Special Revenue Funds | 35,627,027.70 | |
| Debt Service Funds | 0.00 | |
| Capital Projects Funds | <u>283,589,543.88</u> | <u>634,228,845.65</u> |
- Adjusted excess of revenues and other financing
sources over expenditures and other financing uses \$ 194,853,920.73
- ** This amount is comprised of the four governmental funds less \$27,390,339.14 of Federal Grant revenue accrued to match outstanding Federal Grant encumbrances.
- (4) Ending fund balance has not been adjusted to reflect future expenditures for substitutes and hourly personnel whose salaries are not encumbered, utilities, and other expenditures not made through the purchase order and requisition system.
- (5) The private purpose trust fund included on the combined balance sheet is the Florida Future Educators Private Purpose Trust Fund.
- (6) Not included in these statements are the School Internal Accounts. With the exclusion of this fund from these statements due from and due to other funds will not be equal.
- (7) The Budget amounts presented in these financial statements reflect the original General Fund Budget approved by the Board on September 13, 2004 as well as all amendments presented to the Board during the year. Budget amendments reflecting adjustments for the month of March 2005 presented to the Board on May 18, 2005 and are also included herein.
