Re: Two school buses and two work vehicles

Dear Mr. Reed:

In April of 2004 we placed a request for two school buses for our charter school. No buses were available this past year. I am sending this letter to you to renew that same request of one year ago for two buses.

In addition, we need two vehicles for maintenance, if they are available. I do not know what type of vehicles, if any, you may have that is available, however, pickup trucks, maintenance vans would be greatly appreciated, or we can convert any type of vehicle to our needs.

Thank you for your time and consideration.

Sincerely,

Greg Hauptner
