RE: Consent Order # DW-96-05 (Jupiter Farms Elementary PWS ID# 4504664)

Dear Mr. Gargiulo:

The School District has in its possession the certified check in the amount of \$4,250 for payment of Consent Order #DW-96-05 regarding Jupiter Farms Elementary School. Michael Hambor, Operations Section Supervisor for the Health Department, has requested that we hold the check until the Consent Order can be signed. The Consent Order letter has to be approved by the School Board before it can be signed and the next Board meeting is scheduled for August 17, 2005. The District had previously requested and been granted an extension until June 31, 2005, but we will not have Board approval to sign the agreement by this date. We are requesting your consideration of a further extension to August 31, 2005 to submit signed Consent Order #DW-96-05 and the certified check for \$4,250. If you have any questions or need any additional information, I can be reached at (561) 687-7185.

Sincerely,

Martin A. Mets, Director  
Maintenance and Plant Operations
