Dear Mr. Shaw:

The members of Academy of Creative Education School board have been diligently seeking a school location so we can open for the 2005-2006 school year. Unfortunately, we have been unable to secure a facility that we can have ready for the upcoming school year. We feel that in the best interest of the school and its future students we should take more time to properly secure a facility and open the school. On behalf of the Academy of Creative Education school board I would like to respectfully request a deferment to open the Academy of Creative Education for the 2006 - 2007 school year.

I know with some more time we can have a facility ready to open the school for the 2006 - 2007 school year. Please contact me with any additional steps I will need to take to receive the requested deferment.

Regards,

Lena Berchielli, Chairperson
Academy of Creative Education School Board
