Re: Mechanical/Electrical Engineering Services for Continuing Contract
Minority Participation

Dear Helen,

As per our comments in the interview and subsequent discussions, it is JLRD's intent to utilize minority sub consultants wherever appropriate in the execution of this contract.

JLRD will endeavor to satisfy the District's recommended 15% minority participation throughout the term of our contract. We intend to utilize listed minority firms such as MPA Architects and ICE Engineers where minority participation can be utilized.

If you have any questions or require additional information, please do not hesitate to contact this office.

Very truly yours,

JOHNSON, LEVINSON, RAGAN, DAVILA, INC.
