

ADVISORY BOUNDARY COMMITTEE
COMMUNITY INPUT SUMMARY

Date: September 27, 2005
Time: 6:30 p.m.
Place: Forest Hill High School
Topic: Boundary Study B-2
Prepared by: Judy Brennan

SPEAKERS:

1. Lynda Miller (SAC 172A): Daughter is thriving in kindergarten at Cholee Lake. Move would be from an "A" school to a "B" school. Class size is great, teachers are great at Cholee Lake. Does not want daughter to change schools.
2. Christina Tercha (SAC 172A): Has two children in Cholee Lake now. The 4th grader would be able to stay next year, but no transportation for the child is not fair. Public schools must provide public transportation. Would like both students to remain at Cholee Lake.
3. Kim Williams (SAC 159): Two students in Cholee Lake. Is not affected by boundary change. However, is very concerned about overcrowding at Cholee Lake. Has taught in the District for 17 years, and has never seen anything like 800 cars dropping off and picking up students. So many cars make it unsafe even for walkers who live nearby. Lunches are a problem, as well. Quality learning is still going on, but please continue to bring relief to Cholee Lake.

NON-SPEAKERS

1. Stephanie Little (SAC 162): daughter is in dual language kindergarten program at Melaleuca now. Will she be able to attend dual language classes at Berkshire Elementary? (Question forwarded to Multicultural staff).
