Re: Advisory Boundary Committee Meeting

Dear Ms. Brennan:

Thank you for your recent invitation to attend the Advisory Boundary Committee meeting regarding proposed changes to the attendance boundary for Cholee Lake Elementary School. Cholee Lake Elementary School is located within the City of Greenacres and the City supports efforts to strengthen the connection between schools and the communities which they serve. We also support having Greenacres children attend schools within the municipal limits of the City of Greenacres whenever feasible.

We believe that the boundary adjustment proposed appropriately shifts neighborhoods furthest from Cholee Lake Elementary into the boundary for another school rather than picking areas closer in to Cholee Lake that have the potential for a stronger community connection to the school.

Again, thank you for the opportunity to provide input. Please feel free to contact me at 561-642-2054 if you have any questions.

Sincerely yours,
