The effort required to perform the services described above is estimated to be 1 Week to be performed on-site, and 80 hours off-site. ADS will bill for the actual ADS/Stellent hours worked (time and materials basis) not to exceed \$25,000.00 total without prior written authorization. For the week onsite, Engineer will travel on a Monday, arrive onsite Tuesday – Friday and Depart the next day.

Resources:

Upon approval of this statement of work, ADS/Stellent will work with PBCS to assign resources to begin the project. ADS/Stellent typically schedules resources three to five weeks out.

This Statement of Work, including its terms and conditions, and the Software, Services and Maintenance Agreement (the Agreement), is a complete and exclusive statement of the agreement between the parties, which supersedes all prior or concurrent proposals and understandings, whether oral or written, and all other communications between the parties relating to its subject matter. Notwithstanding anything to the contrary in the Agreement, in the event of a conflict between this Attachment and the Agreement, this Statement of Work shall

* Weekend work is invoiced at the standard rate of \$2,250 per day. Services are billed twice a month based on hours expended. Services prices include travel time charges per ADS's standard travel time policy: one-half of all travel time – portal-to-portal - is billable.

**ADS's standard policy for booking resource is as follows: Customers can book resources in advance, and as long as they cancel two weeks prior to the engagement, there would be no charge. If a customer cancels the resource within that two-week period, then they would be charged 50% of the engagement if we could not reallocate the resource.

All other terms and conditions remain unchanged and are ratified hereby. This Statement of Work shall not be effective until accepted by PBCS and by an authorized representative of Advanced Data Systems of Orlando, Inc.

Please signify your acceptance of the engagement by issuance of a PO number for billing purposes.

Sincerely,

Glen Barnhill,
Vice President
Advanced Data Systems of Orlando, Inc.
