**MEMORANDUM**

TO: Ann Killets  
Chief Academic Officer

FROM: Alison Adler, Chief  
Safety and Learning Environment

SUBJECT: Florida Work Experience Program Agreement – Board Item AC-6

The effective date of the Florida Work Experience Program Agreement with Florida Atlantic University was July 18, 2005. The school district employee who was responsible for bringing this item to the Board for approval has recently retired. In the process of reviewing his files, we found this Agreement and determined that it was not taken to the Board for approval.
