Re: Corebridge Educational Academy

Dear Ms. Edwards:

This letter is to advise you that this firm is representing Corebridge Educational Academy. Due to unfortunate economic circumstances, Corebridge Educational Academy has decided that it can no longer function as a charter school. Accordingly, this letter is to give you formal notice that Corebridge Educational Academy will be closing its doors effective June 15, 2006. Please cancel her charter as of that date. All of the contents and equipment belonging to the Palm Beach County School Board is stored in a moving van ready to be delivered to the School Board of Palm Beach County.

Please call Steve Bunch at The Beltman Group (954) 977-4552. He is aware of the situation and will deliver the items to your attention as per your directions. The storage has been paid through June 21, 2006. After that date, there will be additional costs and charges incurred which would have to be born by the School District. If you should have any questions, please feel free to call.

Very truly yours,
Gerstin & Associates
