FINANCIAL IMPACT:

The financial impact to the School District is absorbed within school, department and grant budgets. Changes in employment status occur on a continual basis with little or no budgetary impact since terminations/leaves result in budgeted positions being vacant and appointments/promotions result in budgeted positions being filled. However, the net financial impact for the attached list of 1 transaction is \$0. Detailed information is on file in the Office of Public Affairs and in the Department of Human Resources Customer Relations.
