Re: Request for Bus Transportation

Dear Mr. Reed:

Ms Daniels, from our office spoke to you briefly this morning regarding our transportation dilemma for our students and you were most helpful concerning our options. We are in need of a 65 passenger's school bus in order to transfer our students from and to various locations. We are therefore requesting that a vehicle be assigned to our school. We would be grateful if you could present our request at the next board meeting. Thank you in advance for your help.

Sincerely,

Michael Donahue
