

Cancellation and Insurance Policy for Palm Beach Gardens High School Traveling Gators Ireland and England Trip 2007

The cost of \$2549.00 does not include the All inclusive Insurance Plan of \$115.00 that includes:

1. Medical and Accident Insurance
2. Baggage and Property Insurance
3. Tour cancellation and Interruption Insurance

It is recommended that all students purchase this insurance package. However, they can purchase the cancellation insurance separately for a portion of the cost of the entire policy. The tour company will provide parents with the partial amount.

This is optional insurance that the student may purchase. The company has an existing policy of full refund less a \$150.00 cancellation fee up to 116 day before the departure. The will also refund the price less \$400.00 up to 76 days before departure. If the student cancels and finds another student who will go in his/her place they will also give full refund up to 76 days less a \$100 substitution fee.

This policy is spelled out in the application booklet to sign up for the tour. Each parent will get a booklet (students already have been given copies) in order to establish their student's account for the trip.
