

Supplemental Educational Services

School Board Workshop

November 8, 2006

- Supplemental Educational Services

- Judith Klinek, Director

- NCLB/Federal Grants

- Kay Scott, Director

Introduction to SES

- Tutorial services provided in reading or math by state-approved agencies for eligible students
- Students must be eligible for Free/Reduced price meals and Level 1 or 2 on assessment tests
- Mandated as a choice by NCLB at Year 3 SINI schools

Introduction to SES (cont.)

- Parents must choose the provider
- The state sets the maximum amount per pupil that can be paid to the provider
- For FY06, the amount per pupil was \$1258.93
- SES is funded from the mandatory 20 percent set aside for districts having Schools in Need of Improvement (SINI)

Timeline for SES

- In April 2005 - students at 71 schools received letters inviting participation in NCLB Choice with transportation or SES. 55,000 letters were mailed
- Following the receipt of the 2005 FCAT data, 12,500 students at 47 schools received letters of SES eligibility
- 1,993 students received services in FY06

Parental Outreach

- April 2005 – letters mailed home
- August 2005 – letters mailed home
- August 2005 – letters in backpacks
- August 2005 – posters in each school; information on front counters
- August 2005 – articles in local newspapers: Palm Beach Post and Sun Sentinel
- September 2005 – six provider fairs throughout the county
- School outreach to parents
 - Community language facilitators
 - Parent liaisons
 - Teachers
 - Front office staff

School Outreach

- An informational meeting for principals was held in July 2005
- Each school selected an SES contact person
- The SES contacts attended six informational meetings throughout the year
- The SES contacts assisted with enrollment of students

Provider Outreach

- ❑ A meeting was held with all state-approved SES providers in August 2005
- ❑ All providers signed School District contracts
- ❑ Six provider fairs were scheduled
- ❑ Cayen Systems training was conducted
- ❑ We urged providers to call with questions or concerns
- ❑ We monitored providers serving our students

Oversight of SES

- Monitoring of SES services was conducted during random site visitations
- Parent surveys were conducted to monitor online providers
- Parent satisfaction surveys were completed
- Principal surveys were completed
- Student achievement data was reviewed

SES for FY07

- There are 33,109 eligible students in 64 schools for FY07
- The maximum per pupil allocation set by the state for FY07 is \$1,212
- Seven provider fairs were held throughout the county; 422 families attended the fairs
- Florida Stat. §1001.43 has mandated that SES begin by October 15th

SES for FY07 cont.

- There are 34 eligible providers for Palm Beach County. The state recently conducted a second round for provider applications; there were an additional 9 providers approved to serve in our county.
- We worked overtime to input students into Cayen Systems in order to meet the October 15th deadline

SES for FY07 cont.

- There are currently 7200 students enrolled and placed
- There are approximately 500 students on a waiting list
- Funding is available to provide tutoring to 4826 students
