

Phlebotomy Data Panel
Palm Springs Community Middle School

Year	FY 2002	FY 2003	FY 2004	FY 2005	FY 2006**
* Number of Student Completions	24	26	27	25	0

* Adult students are served by this program

** No students were served in FY 2006 due to a lack of agreements for the clinical experience.

In the past agreements for Phlebotomy for adult students were included with high school medical magnet programs. This is no longer the case. Adult Phlebotomy agreements need to be initiated separately.
