Re: *Notification of Superintendent's Recommendation to not renew the Agreement of Delray-Boynton Academy at the Board Meeting of December 13, 2006*

Dear Ms. Francis:

This correspondence shall serve as written notification of the recommendation that I will be submitting to the School Board of Palm Beach County at its Board Meeting of December 13, 2006, at approximately 5:00 p.m. EST.

In the event the School Board approves my recommendation, the Agreement between the School Board and Delray-Boynton Academy, Inc. will terminate effective on or before June 30, 2007. However, between now and June 30, 2007, the School Board will expect your full cooperation and assurances that you will continue your services so that the students who attend Delray-Boynton academy will not be adversely impacted.

Sincerely yours,

Arthur C. Johnson, Ph.D.
Superintendent
