AMENDMENT # 001

THIS AMENDMENT, entered into between the State of Florida, Department of Children and Families, hereinafter referred to as the "department" and the School Board of Palm Beach County, hereinafter referred to as the "provider," amends **Contract LK702**.

1. Page 5, Standard Contract, Section II.A., is hereby amended to read:

A. Contract Amount

To pay for contracted services according to the terms and conditions of this contract in an amount not to exceed \$1,837,708.00, or the rate schedule, subject to the availability of funds. The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. Any costs or services paid for under any other contract or from any other source are not eligible for payment under this contract.

2. Page 21, Attachment I, Sections B.4.a.1) and 3), is hereby amended to read:

- 1) Service units are Adult General Education (AGE) attendance hours and Post-Secondary Adult Vocational (PSAV) attendance hours. During the first year of this contract, the provider shall perform a minimum of 60,000 AGE attendance hours and a minimum of 25,500 PSAV attendance hours.
- 3) During the first year of this contract, the provider shall enroll 400 clients in various Adult General Education programs as defined under the terms of this contract and 245 clients in Post Secondary Adult Vocational (PSAV) courses.

3. Page 30, Attachment I, Sections C.2. and 4., is hereby amended to read:

2. **Total Contract Amount.** The department will pay the provider for the delivery of services rendered in accordance with the terms of the contract and the department will reimburse the provider for allowable expenditures incurred pursuant to the terms of this contract for a total dollar amount not to exceed \$1,837,708.00, subject to the availability of funds. The funding level for the first year is \$1,125,208.00. The estimated funding level for the second year will be included via budget amendment.
4. **Cost Reimbursement.** The department will reimburse the provider for allowable expenditures incurred pursuant to the terms of the contract for a total dollar amount not to exceed \$1,125,208.00 for the first year of this contract, subject to the availability of funds.

4. Page 35, Attachment I, Section D.5., is hereby amended to read:

5. **Property.** Nonexpendable property is defined as tangible personal property of a nonconsumable nature that has an acquisition value or cost of \$1,000 or more per unit and an expected useful life of at least one year, and hardback covered bound books that are not circulated to students or the general public, the value or cost of which is \$250 or more. Hardback books with a value or cost of \$100 or more should be classified as nonexpendable property only if they are circulated to students or to the general public. All computers, including all desktop and laptop computers, regardless of the acquisition cost or value are classified as nonexpendable property. Motor

vehicles include any automobile, truck, airplane, boat, or other mobile equipment used for transporting persons or cargo.

When state property will be assigned to a provider for use in performance of a contract, the title for that property or vehicle shall be immediately transferred to the provider where it shall remain until this contract is terminated or until other disposition instructions are furnished by the contract manager. When property is transferred to the provider, the department shall pay for the title transfer. The provider's responsibility starts when the fully accounted for property or vehicle is assigned to and accepted by the provider. Business arrangements made between the provider and its subcontractors shall not permit the transfer of title of state property to subcontractors. While such business arrangements may provide for subcontractor participation in the use and maintenance of the property under their control, the department shall hold the provider solely responsible for the use and condition of said property. Provider inventories shall be conducted in accordance with CFOP 80-2.

If any property is purchased by the provider with funds provided by this contract, the provider shall inventory all nonexpendable property including all computers. A copy of which shall be submitted to the department along with the expenditure report for the period in which it was purchased. At least annually the provider shall submit a complete inventory of all such property to the department whether new purchases have been made or not.

The inventory shall include, at a minimum, the identification number; year and/or model; a description of the property, its use and condition; current location; the name of the property custodian; class code (use state standard codes for capital assets); if a group, record the number and description of the components making up the group; name, make, or manufacturer; serial number(s), if any, and if an automobile, the VIN and certificate number; acquisition date; original acquisition cost; funding source; and, information needed to calculate the federal and/or state share of its cost.

The contract manager must provide disposition instructions to the provider prior to the end of the contract period. The provider cannot dispose of any property that reverts to the department without the contract manager's approval. The provider shall furnish a closeout inventory no later than 30 days before the completion or termination of this contract. The closeout inventory shall include all nonexpendable property including all computers purchased by the provider. The closeout inventory shall contain, at a minimum, the same information required by the annual inventory.

The provider hereby agrees that all inventories required by this contract shall be current and accurate and reflect the date of the inventory. If the original acquisition cost of a property item is not available at the time of inventory, an estimated value shall be agreed upon by both the provider and the department and shall be used in place of the original acquisition cost.

Title (ownership) to and possession of all property purchased by the provider pursuant to this contract shall be vested in the department upon completion or termination of this contract. During the term of this contract, the provider is responsible for insuring all property purchased by or transferred to the provider is in

good working order. The provider hereby agrees to pay the cost of transferring title to and possession of any property for which ownership is evidenced by a certificate of title. The provider shall be responsible for repaying to the department the replacement cost of any property inventoried and not transferred to the department upon completion or termination of this contract. When property transfers from the provider to the department, the provider shall be responsible for paying for the title transfer.

If the provider replaces or disposes of property purchased by the provider pursuant to this contract, the provider is required to provide accurate and complete information pertaining to replacement or disposition of the property as required on the provider's annual inventory.

The provider hereby agrees to indemnify the department against any claim or loss arising out of the operation of any motor vehicle purchased by or transferred to the provider pursuant to this contract.

A formal contract amendment is required prior to the purchase of any property item not specifically listed in the approved budget.

5. Page 37, Attachment I, Sections D.13.a)1) and 2), are hereby amended to read:

- 1. Late Narrative Report Submission.** The provider may be assessed liquidated damages of \$154.00 per day for each day that the required narrative report submission exceeds the deadline as specified in Section B.4.c.1.
- 2. Unacceptable Narrative Report Submission.** The provider may be assessed liquidated damages of \$154.00 per day for each day that the required narrative report submission is deemed unacceptable by the contract manager and notification is made to the provider. Unacceptable narrative report submission comprises narratives that are either inaccurate (unacceptable business practice or policy) or incomplete (omission of statistics, deliverables, service units, and/or performance goals, etc.). The provider has up to three (3) business days within which the provider may make acceptable or rectify the deficiencies identified in the narrative report and resubmit the report to the department. Notwithstanding the three (3) business day time frame to make acceptable or complete the narrative report, RS will continue to assess liquidated damages until such time as the report is resubmitted in an accurate and complete format.

6. Pages 39-45, Attachment II, dated 7/6/06, are hereby deleted in their entirety and Pages 39-45, Revised Attachment II, dated 1/1/07, are inserted in lieu thereof and attached hereto.

This amendment shall begin on **January 1, 2007**, or the date on which the amendment has been signed by both parties, whichever is later.

All provisions in the contract and any attachments thereto in conflict with this amendment shall be and are hereby changed to conform with this amendment.

All provisions not in conflict with this amendment are still in effect and are to be performed at the level specified in the contract.

This amendment and all its attachments are hereby made a part of the contract.

IN WITNESS WHEREOF, the parties hereto have caused this eleven (11) page amendment to be executed by their officials thereunto duly authorized.
