|----------------|--|-----------------|---------------------------|
| 티 💽 티 | THE SCHOOL DISTRICT OF PALM BEACH COUNTY Component Evaluation | Telephone | 561-357-7561 |
| THE BEACH COUT | , | Component No, | 2 1 0 0 0 2 3 - 0 0 6 9 |

This Component Evaluation MUST be submitted with Staff Development Sign In Part A & B (PBSD 0484) to Staff Development Office, FHESC B-101, after completion of the professional development program. If more space is needed, use a separate page and attach to this form. Specific information regarding component procedures is located at: http://www.palmbeach.k12.fl.us/StaffDev/ComponentProcedures.htm

- 1. <u>Pre-assessment</u> Summarize the pre-assessment results to include specific information regarding:
 - A. Analysis of participants' preexisting knowledge and skills.

Participants were exposed to a variety of reading programs throughout this staff development. Participants indicated verbally and in writing through activities throughout the staff development a varied level of preexisting knowledge and skills.

B. Analysis of degree to which this professional development linked to participants' professional growth goals.

Participants strongly agreed this professional development was highly linked to their professional growth goals relative to the K-12 Comprehensive Reading Plan and meeting the needs of struggling readers.

- 2. <u>Delivery Assessment</u> Summarize the results of the delivery assessment to include specific information regarding:
 - A. Analysis of participants' mastery of outcomes.

Demonstrated through large and small group sessions, report out discussion, lecture, question and answer sessions, demonstration lessons, coaching, and follow-up activities

B. Analysis of degree to which the delivery format facilitated the learning.

Up to 90% of participants either verbally or in writing strongly agreed the delivery format utilized in each training facilitated learning.

Component No, 2 1 0 0 0 2 3 - 0 0 6 9

- 3. <u>Implementation Assessment</u> Summarize the results of the implementation assessment to include specific information regarding:
 - A. Analysis of degree to which learning transferred into participants' workplace.

Up to 90% of participants either verbally or in writing strongly agreed the information obtained during the training would be transferred into their workplace.

B. Analysis of degree to which the resources facilitated the transfer of learning.

Opportunity to work in small groups and to interact with other colleagues. Work with colleagues from PBSD and outside consultants to process, model, observe, and dialog.

Approximately 95% of the participants either verbally or in writing strongly agreed the resources provided at and following the trainings facilitated the transfer of learning.

- 4. Impact Assessment Summarize the results of the impact assessment to include specific information regarding:
 - A. Analysis of impact to participants (specify and include measures).
 - Although only 60 out of 32 participants returned the required follow-up, approximately 90% of the teachers trained implemented the programs. at some level

B. Analysis of impact to students (specify and include measures).

Up to 90% of participants either verbally or in writing strongly agreed the information obtained during the training will improve the learning environment for their students. Additional data will continue to be collected relative to student achievement.

C. Analysis of impact of program (specify and include recommendations).

Up to 90% of participants either verbally or in writing strongly agreed the information obtained during the training would improve the ESE Program at their school.
