

Conceptual Site Plan Option A - North Site

1. Three-story compact footprint
2. Retention outfalls directly to E-3 Canal
3. All staff & visitor parking on secure site
4. Extended on-site queuing and drop-offs located on-site
5. Controlled access points
6. Clearly defined building entry
7. One point of control for pick-up and drop-off
8. Interpretive Learning Center
9. Future three-story expansion module
10. Complete program on one site with generous fields
