Hello everyone,

In case anyone is unaware I have changed positions and am now in the Adult/Community School.

We are without an attendance secretary/clerk. I have printed the new scan sheets. Please pick up the new scan sheets and your attendance folders in Student Services. They are in a cart in front of the attendance room. Any problems or questions will need to be addressed

to Joan Crawford. Sorry for any inconvenience.

If I can assist you in any way please feel free to contact me by email or PX 27931, but keep in mind I am not here until 2:00pm.

Thanks,

Kimberly Barker
