Joan,

He is not doing well. I did not leave Friday and plan to stay here for a while. I think it would be better to resign to give me the freedom to stay here for a while. I really apologize for not being able to give you more notice. Combined with the problems at home (my fiance and I broke up a week ago) and now my father's illness, I really need to stay here.

I really enjoyed the new position and would not have taken it if I thought all of these things were going to come up.

Thank you,

Beth
