Diane,  
Unfortunately I am out on sick leave and the doctor will not release me to return until Monday.  
Can you still take care of my hours and I can sign the TDE on Monday? Sorry for the inconvenience but I did not know I would be out.

Thanks,  
Kim

*Good morning,*

*TDE's for absences this pay period (2/20-3/2) are due to me at this time. If you plan to be out tomorrow, please give me your TDE if you haven't already. Please remember your ID# and signature. Thanks!*
