Attachments:

Shedeidra: Please note that you do not have my permission to leave campus early for a doctor's appointment. All appointments are to be made on personal, not work time. Knowing that you are always late, Kim Barker came in this morning to get things situated and then went home sick. You are needed at student services for the rest of the day.

Dr. Paula F. Nessmith, Principal

Jupiter High School

500 North Military Trail

Jupiter, Florida 33458
