

ADDENDUM TO CHARTER AGREEMENT BETWEEN THE SCHOOL BOARD OF  
PALM BEACH COUNTY & GLADES ACADEMY OF AGRICULTURAL &  
ECOLOGICAL STUDIES, INC. DATED JUNE 28, 2006

Area of Deficiencies that must be corrected by May 1, 2007 in order for Glades Academy Of Agricultural & Ecological Studies, Inc. to be eligible for a new contract.

1. The Charter School must exhibit sufficient data that the student population is making a year's worth of academic growth during a year's time period which would be from August 2006 through June 2007. This shall be evidenced by the Sunshine State Standard Diagnostics, the Common Assessments, Running Reading Records, the Scholastic Reading Inventory (SRI), and the 2006-2007 FCAT scores.
2. The Charter must increase enrollment by moving the current site to one that is a safe environment for students. This would include adequate classroom space and the correct number of classrooms for the number of students. The building should have accessible common areas, and be safe and secure. The enrollment should be increased by 25% by May 1, 2007. This is to be verified by the February 2007 FTE Survey. This will help to increase the Charter School's FTE Revenue to benefit the student population.
3. The Charter must maintain a positive cash flow and submit timely monthly financial reports to the District's Accounting Department.
4. The Charter School must adhere to the Financial Corrective Action Plan as prescribed by the District and submit timely monthly Actuals versus Budget Reports.
5. The Charter School must provide ESE services as documented on the students' IEPs, follow ESE procedures for eligibility, and maintain consultation logs. This must be documented by evidence of written documentation of services delivered, matrix scores, mandatory ESE forms, and consultation logs.
6. Failure to comply with the above stated conditions/issues shall constitute a "good cause" basis for non-renewal and immediate termination of the Charter Agreement as stated in Section 1002.33 (8) (d), F.S.

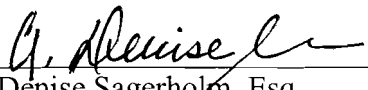

This Addendum is entered between the parties and incorporated into the Charter Agreement on the date last executed by all parties.
