

COOPERATIVE AGREEMENT BETWEEN
THE SCHOOL BOARD OF PALM BEACH COUNTY, FLORIDA
AND
CARLTON PALMS EDUCATIONAL CENTER, INC.

This Cooperative Agreement ("Agreement") is made and entered into this 1st day of July, 2007, by and between The School Board of Palm Beach County, Florida, hereinafter referred to as the "Board," and Carlton Palms Educational Center, Inc., hereinafter referred to as the "Contracting School." The Board and Contracting School will be collectively referred to as the "Parties."

WHEREAS, the Contracting School has been approved by the Board as a facility conducting programs of education, training and residential rehabilitation services for students with disabilities; and

WHEREAS, the Parties wish to provide a special program of education, training, and residential habilitation for a student with a disability for the reasons set forth below:

1. BS is a resident of Palm Beach County, Florida, and is enrolled in the Palm Beach County school system.
2. BS has been appropriately classified as a student with a disability by agents for the Board in compliance with Florida statutes and pertinent State Board of Education Rules and Board policies and criteria.
3. An individualized educational plan (IEP) has been established for this student based on assessment results, which indicate specific educational needs, and such plan and needs are agreed upon by the parents of the student and the Board.
4. In an effort to collaborate with the Department of Children and Families/Agency for Person with Disabilities (APD) in its plan to residentially place this student, the Board's desire is to provide the educational component to his treatment plan.
5. The Board is responsible for only the educational services to the student.
6. The educational costs are for six hours of instruction for a 248 day school year, which includes the traditional 180 days and 68 days of extended school year instruction, as determined by the IEP team.

WHEREAS, the Board believes that the Contracting School can meet the educational needs of the student as outlined in the IEP, and as evidenced by the fact that the Contracting School meets with the criteria for approval under State Board of Education Rule 6A-6.0361(1), Contractual Arrangements with Nonpublic Schools.

WHEREAS, the Parties wish to conform to all established laws, rules and regulations for such Exceptional Student Education Programs.

NOW THEREFORE, in consideration of the mutual promises contained herein, the Parties agree as follows:
